## Education Data

The Oklahoma Youth Academy Charter School (OYACS) provides educational services to children in secure care settings.

## Youthful Offender Data

Charging a child as a youthful offender allows the State to ensure public safety by holding children accountable for serious crimes while affording courts methods of rehabilitation for those children in the juvenile justice system through the custody or supervision of the Office of Juvenile Affairs.

### Youthful Offenders

## Looking Forward

In 2024, the Office of Juvenile Affairs will focus on the following;

- Expanding access to Functional Family Therapy (FFT) to all 77 counties.
- Establishing a systemic reentry model for statewide application.
- Recruitment and retention of secure-care treatment staff and local OJA field office staff.
- Expand career readiness services to students at Oklahoma Youth Academy Charter School.
- Increase wrap around services to youth and families through HUB referrals and workforce solutions.
