Natural Supports & Fading Plan Notes

What is Supported Employment

Supported Employment is a program that assists individuals with disabilities to obtain employment and assists employers to obtain qualified employees. The purpose is for the supported employee to become independent through natural supports in the work environment and work relationships. Natural Supports are job retention supports that occur on the job in the most normal/natural way, such as a mentor/co-worker(s) being assigned to assist the supported employee if they observe a problem. Natural supports include mentoring, supervision(ongoing feedback on job performance), training (learning a new job skill with a co-worker) and socializing with co-workers at breaks or after work.

Benefits to the Employer

The employer benefits by retaining a committed, dependable, qualified employee, assisted by a mentor/co-worker(s) that can identify problems early and seek or provide the necessary job retention supports. Consultation services will be provided to the employer by the employment consultant listed below, in all phases of the job, as long as the employee remains on the job. Services include assistance with training and supervising the supported employee. Follow-up services are provided to assist with any issues that need attention such as poor performance, change in supervisor or job duties.

Employer agrees to assign a mentor/co-worker(s) to provide job retention support. The mentor/co-worker will help the supported employee work through problems that may affect their job performance or job retention. The employer agrees to contact the employment consultant to assist with problem solving when issues cannot be easily resolved by the mentor/co-worker and supervisor, particularly when new job duties are assigned.

Responsibilities of the Contractor

Employment Contractor agrees to provide support to the mentor/co-worker(s), employer, and employee as needed. The employment contractor agrees on a regular set amount of time when contact will be made and how soon to respond to requests for consultation with employer.

The EC has verified with the employee, mentor/co-worker(s) and employer that they will implement the above Natural Supports as set forth on **ESS-C-229** *Natural Supports & Fading Plan*.

***The EC provided the employee, mentor/co-worker(s) and employer with a copy of the ESS-C-229** *Natural Supports & Fading Plan*.

Benefits to the Employee

The mentor/co-worker(s) and the employment consultant assist the supported employee in becoming a valued employee by facilitating support and social connections on and away from work.
