How we assist you

DRS staff believes in empowering individuals by providing them with the knowledge and support they need to become experts in their own lives. People with hearing loss are capable of making decisions about their work and living situations.

DRS' Services for the Deaf and Hard of Hearing offers clients the information they need to make the best decisions for themselves and their employment goals.

DRS services offered

Services can include:

- Career counseling and guidance.
- Vocational evaluation.
- Job placement.
- Assistive technology devices.
- Interpreter and captioning services.
- Training.
- Social Security benefit planning.
- Transition school-to-work.

Tulsa's Services for the Deaf and Hard of Hearing office location is at 8740 E 11th Street, Suite F.

How counselors prepare clients for work

- Our counselors help Deaf and Hard of Hearing clients prepare for, obtain, keep or advance in jobs.
- Assist Deaf and Hard of Hearing clients in finding resources in the community, which are available for people with hearing loss.
- Provide sign language interpreters for vocational rehabilitation consumers and for VR services statewide.
- Work and provide consultation with other general VR counselors with clients who have hearing loss.
- Act as consultants for other agencies or organizations regarding information, resources and accessibility responsibilities related to serving people with hearing loss.

Oklahoma City's Services for the Deaf and Hard of Hearing office location is at 5005 N. Lincoln Blvd, Suite 205.
