

# SoonerSelect

## CARE PROGRAMS FACT SHEET

SoonerSelect is a new direction for providing quality health care options to Oklahomans who qualify for SoonerCare (Medicaid) benefits. Under SoonerSelect, different medical and dental plans will be available. Eligible SoonerSelect members can pick the medical and dental plan that best meets their needs.

While most SoonerCare members will be required to pick a medical and dental plan, not everyone who qualifies for SoonerCare will be eligible for SoonerSelect. Some members will be able to choose whether they stay in traditional SoonerCare or move to SoonerSelect. If they opt into SoonerSelect, they will pick a medical and/or dental plan with one of our partners.

This fact sheet outlines:

- Who must pick a medical and dental plan
- Who may choose to enroll in SoonerSelect and pick a medical and/or dental plan
- Who cannot enroll in SoonerSelect and must stay enrolled in the traditional SoonerCare program

You may receive information from your health care provider wanting you to pick a SoonerSelect plan they are contracted with so you can continue being their patient. Communication from providers is not an official enrollment notice. Depending on your current eligibility, you may not be required to pick a health or dental plan. For questions, including whether you need to enroll, please call the SoonerCare Helpline at 800-987-7767 or visit our website at <https://oklahoma.gov/ohca>.
