

Provider Reimbursement Notice **Hospital DRG Rebase UPDATE**

OHCA PRN 2020-10

December 8, 2020

Dear Hospital Administrators,

DRG Rebase UPDATE

OHCA has now completed the annual DRG rebase and are in the process of implementing the updated DRG weights and CCRs effective for discharges beginning October 1, 2020. Hospital base rates are not being updated this year.

Letters will be mailed and information for the update will be available on the OHCA website. OHCA will implement the new Medicare grouper (MS-DRG V38) and make it effective for discharges beginning October 1, 2020. Once the system is updated, the claims will be recycled for any claims that were billed and had dates of service after October 1, 2020.

If you have any questions or require additional information please contact Provider Reimbursement by email at ProvReimb@okhca.org.

Thank you for your continued service to Oklahoma's SoonerCare members.
