

## **Provider Reimbursement Notice** **Hospital DRG Rebase**

### **OHCA PRN 2021-08**

October 7, 2021

**Dear Hospital Administrators,**

#### **DRG Rebase**

OHCA has completed the annual DRG rebase and implemented new hospital base rates and DRG weights effective for discharges beginning October 1, 2021. OHCA has implemented the new Medicare grouper (MS-DRG V39) and made it effective for discharges beginning October 1, 2021. If there are any claims that had discharge dates from October 1 to October 6, 2021, and have already been billed, OHCA will recycle those claims.

Many of the base rates are less than the previous years, but most hospitals will see an increase in payment in the aggregate due to an increase in the DRG weights.

If you have any questions or require additional information please contact Provider Reimbursement by email at [ProvReimb@okhca.org](mailto:ProvReimb@okhca.org).

Thank you for your continued service to Oklahoma's SoonerCare members.
