Re: OKCAPMAP

Dear Provider,

The Oklahoma Health Care Authority would like to alert you to a new program that has recently launched across Oklahoma to support the provision of mental healthcare for your pediatric patients. The program is known as OKCAPMAP and was formally known as the Oklahoma Child and Adolescent Psychiatry and Mental Health Access Program.

OKCAPMAP aims to support the primary care provider's provision of pediatric mental health care in the primary care setting through child and adolescent psychiatry and mental health consultation, advanced mental health education, and referral assistance to local and statewide mental health services. Pediatric serving primary care providers can register for services at: <https://www.okcapmap.org/provider-enrollment/>.

Licensed mental health professionals and child and adolescent psychiatrists provide consultation and referral assistance through the consultation line 9AM-5PM Monday-Friday. Consultations may be requested online at <https://www.okcapmap.org/consultation-request/> or by calling 918-710-3600.

For additional information and questions regarding OKCAPMAP, please visit the website at: <https://www.okcapmap.org/>

Thank you for your continued service to our SoonerCare members.

Sincerely,

Traylor Rains
State Medicaid Director
