RE: Pausing Executive Order 2025-16 Provider Attestation Requirements

Dear Provider,

The Oklahoma Health Care Authority (OHCA) is pausing the implementation of Executive Order (EO) 2025-16 regarding required provider attestations until further notice. During the November 10, 2025 OHCA Board meeting, the Board requested further legal clarification of the requirements of the EO and its implementation. Pending further review and consideration of rules related to the EO at the next Board meeting on January 21, 2026, OHCA is exercising its discretion to pause implementation.

Renewals and applications may continue without the provider attestations at this time. OHCA will provide updates as they are available. Please contact OHCA Provider Engagement at providerenrollment@okhca.org with any questions or concerns.

Sincerely,

Clay Bullard

Chief Executive Officer
