\$252.4 Million in First Directed Payment Made Since SoonerSelect Transition

Oklahoma City, OK – The Oklahoma Health Care Authority has distributed the first enhanced directed payment to Oklahoma hospitals in the amount of \$252.4 million. This enhanced funding was made possible by the agency's successful transition to SoonerSelect and the allocation of a 2023 state appropriation.

"The creation and distribution of the enhanced hospital directed payment through SoonerSelect allows the agency to accelerate vital financial support to Oklahoma hospitals, ensuring Oklahomans have access to critical health care providers in their communities," said Ellen Buettner, Chief Executive Officer of OHCA. "This proactive approach supports providers in continuing to deliver quality care, while increasing their investment in improving health outcomes, prevention efforts, and health care workforce development."
