OHCA PRN 2013-04

Disproportionate Share Hospital (DSH) Providers

This letter is to update you on some recent changes to the Disproportionate Share Hospital (DSH) audit process.

While the name of the firm auditing the DSH payments has changed (from Clifton Gunderson to Myers and Stauffer LC) it is the same firm that has been used in the past.

Please be aware that Myers and Stauffer LC have sent e-mails to the DSH contact person OHCA has on file for each hospital. This email describes how to gain access to the File Transfer Protocol (FTP) site. Currently only half of providers have responded to this request. Please respond to the auditors e-mail if you have not done so. If you have not received an e-mail from the auditor please contact Lamont McKenzie by e-mail at lmckenzie@MSLC.COM immediately.

To explain the new audit process Myers and Stauffer LC will be conducting a training webinar on June 5, 2012 from 10:00AM to 12:00PM. Registration and information pertaining to the webinar can be located at www.okoha.com/educationcalendar.

The training can either be attended in person or via live web streaming. If you are unable to attend or watch online on June 5th, the training will be recorded so it may be viewed at a later date. A link to the recording of the training will be available on both the OHCA and OHA websites.

If you have any questions or require additional information please contact: Kelly Taylor by phone at (405) 522-7108 or by e-mail at Kelly.Taylor@okhca.org or, Jimmy Witcosky by phone at (405) 522-7454 or by e-mail at Jimmy.Witcosky@okhca.org.

Thank you for your continued service to Oklahoma's *SoonerCare* members.
