

## OHCA's EHR Incentive Program Newsletter-Spring 2015

Oklahoma Health Care Authority sent this bulletin at 05/05/2015 01:35 PM CDT

OHCA's Electronic Health Record's Incentive Program Newsletter

### Interesting Fact

As of February 2015, the Medicaid EHR Incentive Program has paid out \$110,063,776 for 106 eligible hospitals (EHs) and \$57,870,837 for 2,291 eligible professionals (EPs). There is still plenty of time to receive EHR Incentive payments. The Medicaid incentive payments for eligible professionals are \$63,750.00, for a total of six (6) years.

The last year for EHs and EPs to begin receiving EHR Incentive payments is 2015 and 2016, respectively. If an EP begins participating

in 2016, the EP will have to attest in consecutive years in order to receive all six (6) incentive payments.

---

## Patient Volume Report

The OHCA EHR team asks that the Patient Volume (PV) reports be in an Excel format listing the member's last name, first name and/or SoonerCare member ID, provider name and/or SoonerCare provider ID, date of service and primary diagnosis. Upon receiving the PV report in an excel format, it will make the process more productive. The report can be emailed to [EHRdocuments@okhca.org](mailto:EHRdocuments@okhca.org). Emails that contain a .zip extension are not accepted by OHCA.

---

## Did You Know?

Providers who receive an EHR incentive payment for either Medicare or Medicaid EHR Incentive Program may be subject to an audit. EPs, EHs and critical access hospitals (CAHs) should retain ALL relevant supporting documentation (in either paper or electronic format) used in the completion of the Attestation Module responses. This information should be retained for six (6) years post-attestation.

---

## Things To Do Prior To Deadline:

Update information on CMS registration (if necessary); don't wait until last day to attest just in case any issues may arise (ex. System and fax issues, denied attestations,

password problems, measures not being met).

---

## Training

If you will be attending Spring training, please stop by and say “hello” to Lynne Heard, our newest EHR Incentive team member. She will have a booth set up by the registration table and will be more than happy to answer any questions.
