### Correction Regarding Glycolax®, Miralax® Coverage

A SoonerCare Pharmacy Update distributed on May 22, 2009 indicated that polyethylene glycol powder had been designated a DESI 5 drug by the Centers for Medicare and Medicaid Services (CMS), and was no longer be covered by SoonerCare. CMS has since issued a correction regarding this DESI designation. Therefore, **SoonerCare coverage of polyethylene glycol formulations (including Glycolax® and Miralax®) has been reinstated effective May 26, 2009.** For further information about DESI drugs, please visit the CMS website at [www.cms.hhs.gov](http://www.cms.hhs.gov).

**We appreciate the services you provide to Oklahomans insured by SoonerCare.**
