

# SOONERCARE SILVER: DUAL ELIGIBLE DEMONSTRATION PROJECT

Marva Crawford  
Williamson, Project  
Coordinator

# KEY PROJECT COMPONENTS

- DUALY ELIGIBLE FOR SOONERCARE AND MEDICARE – Claims and benefit data
- PROGRAM OF ALL-INCLUSIVE CARE FOR THE ELDERLY (PACE)
- UNIVERSITY OF OKLAHOMA AT TULSA-HIZ/ACCOUNTABLE CARE ORGANIZATION

# SOONERCARE SILVER DUAL ELIGIBILITY DEMONSTRATION PROJECT:

- Increased quality of care and care coordination
- Improved array of behavioral health services, merging different treatment options
- Synergizing input from members and stakeholders

# Programs of All-Inclusive Care for the Elderly (PACE)

- The PACE program is a unique capitated managed care benefit for the frail elderly provided by a non-for-profit or public entity.
- The PACE program features a comprehensive medical and social service delivery system using an interdisciplinary team approach in an adult day health center that is supplemented by in-home referral services in accordance with participants' needs.
- PACE enrollees must be at least 55 years old, live in the catchment area of a PACE center, able to live safely and independently in the community at the time of enrollment and must be certified for nursing home level of care.

# TULSA'S HEALTH INNOVATION ZONE /ACO

- An Accountable Care Organization (ACO) is a network of doctors and hospitals that shares responsibility for providing care to patients.
- Patient centered medical homes hosted by  
OU SCHOOL OF COMMUNITY  
MEDICINE

# SOONERCARE SILVER: ANALYSIS

- Addressing conflicting requirements between Medicare and SoonerCare
- Creating solutions that advance better care for the individual, better health care for populations, and lower costs
- Focusing on the areas of timing eligibility, claims data, and health coverage where available

# SOONERCARE SILVER : CMS DATA REQUESTS

- Obtaining CMS permission for data use and re-direction
- Directing data review and use
  - Contractor Agreements
  - Actuarial Analyses
- Reviewing data from existing programs

# SOONERCARE SILVER : CMS RE-ALIGNMENT DIRECTIVES

- CMS recommended areas for re-alignment:
  - Coordinated Care
  - Fee-for-service Benefits
  - Prescription Drugs
  - Cost sharing
  - Enrollment
  - Appeals

# SOONERCARE SILVER : CMS RE-ALIGNMENT DIRECTIVES

- CMS recommended areas for re-alignment:
  - ▣ Coordinated Care

# SOONERCARE SILVER: GOALS

- Examine coordinated care projects for use of recommendations in services for the dually eligible
- Focusing on ways to:
  - Reduce costs
  - Reduce duplications in benefits
  - Improve overall quality of care

# What We've Been Up To

- Collecting data on the duals for Analysis
- Reviewing similar projects in other states
- Examining care coordination within our own OHCA programs (Behavioral Health)
  
- PACE
  
- Tulsa HIZ

# SOONERCARE SILVER: DELIVERABLES

- Monthly status conference call
- Reporting and data management systems
- Stakeholder and community focus groups
- Interim reports and updates
- Final proposal due in April 2012
