RE: High-Investment Drug Therapy Carve-Out for Inpatient and Outpatient Hospital Payment

Dear Provider,

Effective July 1, 2020, pursuant to Oklahoma Administrative Code 317:30-3-31, 317:30-5-42.20, 317:30-5-47, and 317:30-5-47.6 the Oklahoma Health Care Authority changed the billing process for certain high-investment drug therapies. This change is to improve access to expensive but highly impactful drug therapies for the SoonerCare population. The changes to the process are as follows:

- Verify the drug therapy is on the carve-out list at www.okhca.org/rx.
- Request a prior authorization for the therapy (prior authorizations are specific to billing provider).
 - Approval criteria can be found at www.okhca.org/pa in the appropriate therapeutic category.
 - Prior authorization request forms can be found at www.okhca.org/rxforms.
- If the prior authorization request is approved, and the member has been treated and discharged, the billing provider should:
 - Submit the inpatient or outpatient hospital claim (based on place of service) which **MUST NOT** include the carve-out drug; and
 - Submit a separate claim on an outpatient hospital claim for the carve-out drug.
 - Type of Bill to be used is 131;
 - Revenue Code 636 must be used;
 - Appropriate HCPCS code (or miscellaneous code if no specific code assigned) must be used;
 - NDC information must be billed on the HCPCS code line;
 - Purchase invoice showing the net cost for the drug therapy must be attached to the claim;
 - Claim will suspend for internal review and pricing.
 - These two claims are to be submitted at the same time. The claim for the carve-out drug will not be processed until both claims are received.

All therapies on the carve-out list will require a prior authorization.

If the billing entity is purchasing the carve-out drug through its 340B program, then all applicable federal, supplemental, and value based rebates will be collected from the billing entity.

If you have any questions, please contact the pharmacy helpdesk at 800-522-0114, option 4 or 405-522-6205, option 4.

Thank you for your continued support and the services you provide to SoonerCare members.

Sincerely,

Melody Anthony
State Medicaid Director
