RE: Medication Assisted Treatment Products Copays – Effective Jan. 1, 2020

Dear member,

Effective Jan. 1, 2020, your copay amounts for products that help treat substance use disorders, also known as medication assisted treatment products, will change. The copay on these products will be \$0 for all SoonerCare members.

As of July 31, 2019, the prior authorization was removed for preferred products considered medication assisted treatment products. Preferred products include:

- Suboxone® (buprenorphine/naloxone SL films) **(brand preferred)**.
- Buprenorphine/naloxone SL tablets **(generic only)**.

Products not listed above will still require a prior authorization. Members aged 15 and younger require a prior authorization for all medication assisted treatment products.

Do you have questions regarding these medications? Contact your provider, or the pharmacy helpdesk at 800-522-0114, option 4. The helpdesk is open Monday-Friday 8 a.m. to 7 p.m., Saturday 9 a.m. to 5 p.m. and Sunday 11 a.m. to 5 p.m.

Sincerely,

A handwritten signature in cursive script that reads "Melody Anthony".
