### **Hospital Administrators**

The Oklahoma Health Care Authority (OHCA) has scheduled a Disproportionate Share Hospital (DSH) program information and discussion forum for Tuesday November 7, 2006, in the Oklahoma Health Care Authority Board Room between 3:00 p.m. and 4:30 p.m. We are hopeful that many of the Oklahoma Hospital Association members who may be coming in early for the annual OHA conference in Oklahoma City will be able to attend our DSH forum.

In addition, we are in the process of scheduling similar forums in Lawton during the week of November 13, 2006, and in Tulsa during the week of November 27. We will notify you as the dates become available.

All three meetings will be designed to give hospital administrators and their finance officers a brief history of the DSH program, the 2006 state plan amendment, and what OHCA intends to do in the future with the DSH program. We are hopeful that someone from your hospital will be able to attend at least one of the forums.
