Dear ***SoonerCare*** Provider,

The Oklahoma Health Care Authority is pleased to announce a new program! ***SoonerPlan*** is Oklahoma's Family Planning Program. Effective April 1, 2005, OHCA now offers family planning coverage for uninsured men and women aged 19 and older who are not eligible for regular Medicaid services and have incomes at or below 185% of the Federal Poverty Level. To be eligible for this program, individuals must live in Oklahoma and be a U.S. citizen or qualified alien.

Covered services include:

- Office visits related to family planning services
- Contraceptives and contraceptive devices, over the counter and prescription
- Routine lab and pathology services related to family planning
- Screening for sexually transmitted infections when performed at a family planning visit, and
- Sterilizations (age 21 and over, with proper consent)

Providers may request a pad of 500 application forms for ***SoonerPlan***, [the FPWS-1](#), by calling OHCA at (405) 522-7200.

Recipients will be issued a white Oklahoma Health Care Authority ID card. It is the same card that is issued to other Medicaid eligible persons. You will need to verify coverage prior to rendering services. Client eligibility verification will show "FAMILY PLANNING" for the Benefit Plan.
