WHAT MEMBERS ARE ELIGIBLE FOR SOONERSELECT CSP?

Oklahoma Complete Health covers SoonerSelect CSP members in all of Oklahoma's 77 counties. Starting on April 1, 2024, the following SoonerCare groups will automatically begin receiving services through SoonerSelect CSP:

- Children in the custody of Oklahoma Human Services, including AI/AN children.
- Juvenile justice-involved children.
- Foster children in tribal custody who opt in to SoonerSelect are automatically assigned to CSP.

Some groups can pick another SoonerSelect Health plan. If they don't pick another SoonerSelect health plan, they are automatically enrolled in the CSP plan. These are:

- Children and youth receiving adoption assistance.
- Former foster care children up to age 25.

Children in tribal custody who opt in to SoonerSelect are automatically enrolled in CSP. Former foster care children and children receiving adoption assistance are enrolled in the SoonerSelect Children's Specialty Program if they do not choose another SoonerSelect plan.

Eligible American Indian/Alaskan Native (AI/AN) members can choose to enroll in SoonerSelect CSP but are not required to do so. If an AI/AN member does not

actively enroll in SoonerSelect CSP, they will remain in their current SoonerCare health program. If an AI/AN member does enroll in SoonerSelect CSP, they will be automatically enrolled with Oklahoma Complete Health. Enrollment in SoonerSelect CSP **does not** automatically enroll a member into SoonerSelect dental.

HOW DO MEMBERS ENROLL IN SOONERSELECT CSP?

You can enroll during the SoonerCare application process or the annual open enrollment period. The next open enrollment period will take place between May 1-June 13, 2025.

You can enroll by logging in to MySoonerCare.org. Select “Change My Plan/Choice Provider,” and select the option to “opt in to SoonerSelect.” You can also call the choice counseling line at 800-987-7767 to enroll in SoonerSelect CSP.

HOW DO MEMBERS FIND THEIR HEALTH PLAN INFORMATION?

Oklahoma Complete Health will mail SoonerSelect CSP health plan identification (ID) cards to each member. Health plan ID cards will show member health plan assignment. An example of the SoonerSelect CSP member ID card is below.

If a member does not receive their ID card within 30 days of enrolling, they can log onto the MySoonerCare.org member portal to see their plan information. Members may also contact Oklahoma Complete Health for an electronic version of their ID card.

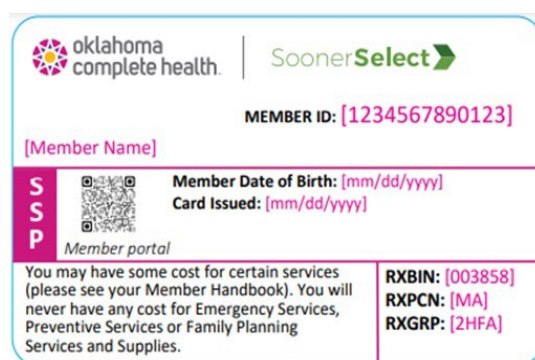

A member can still receive health care even if they do not have their SoonerSelect CSP member ID card. Providers should be able to verify member SoonerSelect eligibility and plan assignment by logging into the [OHCA provider portal](#) or calling the **Provider Helpline** at 800-522-0114, option 1, or logging into [Availity](#).
