## **Topic X: Program Integrity**

Number	Indicator	Response
BX.1	<p data-bbox="313 107 695 180"><b>Payment risks between the state and plans</b></p> <p data-bbox="313 201 727 863">Describe service-specific or other focused PI activities that the state conducted during the past year in this managed care program. Examples include analyses focused on use of long-term services and supports (LTSS) or prescription drugs or activities that focused on specific payment issues to identify, address, and prevent fraud, waste or abuse. Consider data analytics, reviews of under/overutilization, and other activities. If no PI activities were performed, enter "No PI activities were performed during the reporting period" as your response. "N/A" is not an acceptable response.</p>	<p data-bbox="760 107 1373 380">The OHCA Program Integrity unit regularly conducts reviews of network providers to identify and address potential fraud, waste and abuse. The OHCA also reviews Contracted Entity (CE) operational reports to identify potential over- and under-utilization for further investigation.</p>
BX.2	<p data-bbox="313 919 618 993"><b>Contract standard for overpayments</b></p> <p data-bbox="313 1014 727 1171">Does the state allow plans to retain overpayments, require the return of overpayments, or has established a hybrid system? Select one.</p>	<p data-bbox="760 919 1247 949">State has established a hybrid system</p>

BX.4	<p data-bbox="313 1570 711 1644"><b>Description of overpayment contract standard</b></p> <p data-bbox="313 1665 727 1759">Briefly describe the overpayment standard selected in indicator B.X.2.</p>	<p data-bbox="760 1570 1373 2001">The State allows Contracted Entities (CEs) to retain recovery of overpayments resulting from waste or abuse audits that originated with the CE. If a fraud referral originates from the CE, the State first retains its costs of pursuing the action and actual documented loss; the State pays the remainder to the CE, up to its documented loss. If the State identifies an overpayment to a provider, it may recover the funds from the CE, which in turn may then recover from the provider.</p>

<p><b>BX.5</b></p>	<p><b>State overpayment reporting monitoring</b></p> <p>Describe how the state monitors plan performance in reporting overpayments to the state, e.g. does the state track compliance with this requirement and/or timeliness of reporting? The regulations at 438.604(a)(7), 608(a)(2) and 608(a)(3) require plan reporting to the state on various overpayment topics (whether annually or promptly). This indicator is asking the state how it monitors that reporting.</p>	<p>Contracted Entities (CEs) must report overpayments due to fraud within three business days of identification or recovery. CEs must report overpayments due to abuse within 30 calendar days of identification or recovery. CEs must report monthly on all payment errors and recoveries. The State monitors compliance as part of regular oversight activities.</p>
<p><b>BX.6</b></p>	<p><b>Changes in beneficiary circumstances</b></p> <p>Describe how the state ensures timely and accurate reconciliation of enrollment files between the state and plans to ensure appropriate payments for enrollees experiencing a change in status (e.g., incarcerated, deceased, switching plans).</p>	<p>The Contracted Entity (CE) is responsible for performing a monthly reconciliation of enrollment roster data against Capitation Payments and notifying OHCA of discrepancies in accordance with 42 C.F.R. § 438.608(c)(3). In addition, the CE must promptly notify OHCA when the CE or a Subcontractor receives information about changes in an Enrollee's circumstances that may affect the Enrollee's eligibility to participate in the program. The information is provided on a weekly basis.</p>
<p><b>BX.7a</b></p>	<p><b>Changes in provider circumstances: Monitoring plans</b></p> <p>Does the state monitor whether plans report provider "for cause" terminations in a timely manner under 42 CFR 438.608(a)(4)? Select one.</p>	<p>Yes</p>

**D1IV.4**

**Number of critical incidents filed during the reporting year by (or on behalf of) an LTSS user who previously filed an appeal**

**Oklahoma Complete Health**

N/A

For managed care plans that cover LTSS, enter the number of critical incidents filed within the reporting year by (or on behalf of) LTSS users who previously filed appeals in the reporting year. If the managed care plan does not cover LTSS, enter "N/A". Also, if the state already submitted this data for the reporting year via the CMS readiness review appeal and grievance report (because the managed care program or plan were new or serving new populations during the reporting year), and the readiness review tool was submitted for at least 6 months of the reporting year, enter "N/A". The appeal and critical incident do not have to have been "related" to the same issue - they only need to have been filed by (or on behalf of) the same enrollee. Neither the critical incident nor the appeal need to have been filed in relation to delivery of LTSS — they may have been filed for any reason, related to any service received (or desired) by an LTSS user. To calculate this number, states or managed care plans should first identify the LTSS users for whom critical incidents were filed during the reporting year, then determine whether those enrollees had filed an appeal during the reporting year, and whether the filing of the appeal preceded the filing of the critical incident.
