This State of Oklahoma Federal Funding Terms is a Contract Document in connection with a Contract awarded by and through the State of Oklahoma, Office of Management and Enterprise Services, with a vendor, supplier, or contractor (“Supplier”). Supplier acknowledges that acquisitions under this Contract may use federal assistance for purposes of funding the acquisition. In addition, the State and Supplier (“Parties”) must agree to the standards identified in Federal Regulations 2 CFR Sections 200.321 through 200.323 and ensure purchase orders, contracts, or subcontracts include clauses required by 2 CFR Section 200.327.

***The terms and conditions provided in this Attachment are general Federal award requirements. Additional terms, conditions, or exceptions may be required that are specific to the Federal financial assistance used in each procurement transaction. Any additional terms, conditions, or exceptions shall be incorporated into a purchase order, contract, or subcontract to ensure compliance with the Federal financial assistance attached to this Contract.***
