Evidence Description / Additional Notes:			
<i>Please initial each statement below, acknowledging you have read, understand and agree:</i>			
<div style="border-bottom: 1px solid black; height: 1.2em; margin-bottom: 2px;"></div> <i>Initial</i>	I understand that a report will not be issued for any Rapid DNA testing performed. If a Criminalistics Examination Report (i.e., lab report) is needed, I understand evidence must be submitted to the appropriate accredited laboratory for forensic analysis.		
<div style="border-bottom: 1px solid black; height: 1.2em; margin-bottom: 2px;"></div> <i>Initial</i>	I understand that any sample(s) tested with Rapid DNA is considered consumed in testing and <i>is not suitable for conventional DNA analysis</i> [Note: If conventional DNA analysis is needed, please submit the evidence to the appropriate accredited laboratory].		
<div style="border-bottom: 1px solid black; height: 1.2em; margin-bottom: 2px;"></div> <i>Initial</i>	I understand that if a suitable DNA profile is developed for entry into the database, the entry is searched against Oklahoma's statewide Rapid DNA database for investigative lead purposes only.		
<div style="border-bottom: 1px solid black; height: 1.2em; margin-bottom: 2px;"></div> <i>Initial</i>	I understand that Rapid DNA profile results and database entry status will be communicated via the email and/or telephone number provided.		
<div style="border-bottom: 1px solid black; height: 1.2em; margin-bottom: 2px;"></div> <i>Initial</i>	I understand if any Rapid DNA database entry results in an investigative lead to my evidence, my contact information listed above may be shared with any other applicable law enforcement agency(ies).
