Hi, Matt.

Your Regional Accreditation Officer (RAO) would be your best and most immediate contact on those items. I have copied Ryan Pieper who, who leads that team and can correct me if I am wrong and put you in touch with the proper individual/RAO. I believe the RAO for your school is Leslie Janis.

Have you received a completed audit as was required by the State Board several months ago? It was my understanding that this was going to be done relatively quick, but if you have not yet received it, do you have an estimate of when that will be available to provide to the State Board?

Thank you, and I hope you are doing well/staying safe.

Good morning Brad. I hope all is well. I just wanted to reach out and ask if you could help put me in touch with someone that can help me with getting all of my items completed for accreditation and on single sign on especially? I wanted to stay on top of things this year and get a list of deadlines for submissions. Last year I was hit with a lot of info that I had no clue that I was suppose to submit. So I am just trying to stay on top of things. Thanks Brad.
