Honorable Board Members of the Oklahoma State Board of Education, I am writing this letter to request a waiver for SB441 on behalf of Jennings Public Schools for the 2024-2025 school year pursuant to the calendar rules posted on the Oklahoma Secretary of State Rules Website related to SB441. We are requesting a waiver to adopt a calendar with fewer than 165 instructional days for the 2024-2025 school year. We are requesting that we receive the flexibility to be in session for 156 instructional days. We have qualified for the waiver each year since SB441 became law while remaining on a 4-day calendar. We believe we have earned the opportunity to maintain this flexibility.

Jennings Public Schools is a PK-8 dependent district located in Jennings, Oklahoma in Pawnee County. Our current enrollment is 265 students. We have been on a 4-day calendar for the past twelve years. This has been very beneficial for our district and is extremely popular within the community. Our last parent survey, conducted in January, 2023, showed 96% support from our constituents to remain on a 4-day calendar.

Below is the requested data for Jennings Public Schools per the rules necessary for a waiver to be granted:

- Jennings Public School's English Language Arts Growth exceeded the state average on the most recently administered OSTP assessments for the 2022-2023 school year. We scored a 93.7 in ELA, while the state average was 88.4 in ELA.
- Jennings Public School's Math Growth exceeded the state average on the most recently administered OSTP assessment for the 2022-2023 school year. We scored a 88.2, while the state average was an 86.7 in math.
- Jennings Public Schools is not currently identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI).

- Financial Criteria Narrative

- Jennings Public Schools has saved a significant amount of money over the last ten plus years by moving to a 4-day school week. These savings have allowed us in part to add two additional full time certified teachers and five additional support employees, which has benefitted our students significantly. The savings have come from reduced usage in costly utilities, a decrease in fuel costs to run bus routes, as well as reduced food costs for child nutrition. These cost savings have helped our district find strong financial footing and improve instructional learning outcomes by shifting these savings directly to the classroom.

If you have any questions, I would be happy to discuss any of this in further detail. We appreciate the consideration of this waiver.

Sincerely, .

CERTIFICATE OF EXCISE BOARD

State of Oklahoma, County of Pawnee

We, do further certify that we have examined the statement of estimated needs for the current fiscal year ending June 30, 2023, as certified by the Board of Education of Jennings Public Schools, District Number C-2 of said County and State, and its financial statement for the preceding year, and in so doing we have diligently performed the duties imposed upon this Excise Board by 68 O. S. 2001 Section 3007, by (1) ascertaining that the financial statements, as to the statistics therein contained, reflect the true fiscal condition at the close of the fiscal year, or caused the same to be corrected so to show; (2) struck from the estimate of needs so submitted any items not authorized by law and reduced to the sum authorized by law any items restricted by statute as to the amount lawfully expendable therefor; (3) supplemented such estimate, after appropriate action, by an estimate of needs prepared by this Excise Board to make provision for mandatory functions based upon statistics authoritatively submitted; (4) computed the total means available to each fund in the manner provided, applying the Governing Board's estimate of revenue to be derived from surplus tax of the immediately preceding year and from sources other than ad valorem tax, or reduced such estimate to not less than the lawfully authorized ratio of the several sums realized from such sources during the preceding fiscal year or to such lesser sum as may reasonably be anticipated under altered law or circumstance and using for such determination the basic collections of the preceding year and the ratios on which distribution or apportionment must be made during the ensuing or current year.

To the several and specific purposes of the estimated needs as certified, we have and do hereby appropriate the surplus balances of cash on hand of the prior year, estimates of income from sources other than ad valorem taxation within the limitation fixed by law, and the proceeds of ad valorem tax levy within the number of mills authorized, either by apportionment by the Legislature, allocation by the excise board or by legal election, all of which appropriations are made in so far as the available surpluses, revenues, and levies will permit, except in that we have also provided that, after deducting items consisting of cash and the revenue from all sources other than the 2023 tax and the proceeds of the 2023 tax levy are in excess of the residue of such appropriations, by a sum included for delinquent tax, computed at 10.0% of such residue. And provided further, if said School District has been ascertained to be a well defined State Aid District, the local budget, as approved and appropriated for, has been applied wholly to its operating accounts.

We further certify that the amount required to be raised from tax, excluding Homesteads, for General Revenue Fund purposes as approved, requires a total ad valorem tax levy of 35.000 Mills. Said levy is within the statutory limit, and if in excess, is within the constitutional limit and has been authorized by a vote of the people of said district, as shown by certificate of the School Board to-wit:

To this District, with valuations shown below, the Excise Board allocated 5.000 Mills, plus 15.000 Mills authorized by the Constitution, plus an emergency levy of 5.000 Mills; plus local support levy of 10.000 Mills; for a total levy for the General Fund of 35.000 Mills.

We further certify that the amount required to be raised for building fund purposes as approved requires a tax levy of 5.000 Mills, and said levy has been certified as authorized by a vote of the people at an election held for that purpose. We further certify that Assessed Values used in computing Mill-vote levies have been applied as certified by the County Assessor.

We further certify that we have examined the within statements of account and estimated needs or requirements of the Governing Board of Jennings Public Schools, School District No. C-2 of said County and State, in relation to the Sinking Fund or Funds thereof, and after finding the same correct or having caused the same to be corrected pursuant to 68 O. S. 2001 Section 3009, have approved the requirements therefor to fulfill the conditions of Section 26 and 28 of Article 10, Oklahoma Constitution, and have made and certified a tax levy therefor to the extent of the excess of said total requirements over the total of items 2, 3, 6, and 12 of Exhibit Y and any other legal deduction, including a reserve of 10.0% for delinquent taxes.

Oklahoma State Board of Education
2500 North Lincoln Boulevard Suite 210
Oklahoma City, OK 73105-4599

Honorable Board Members of the Oklahoma State Board of Education, I am writing this letter to request a waiver for SB441 on behalf of Glencoe Public Schools for the 2024-2025 school year pursuant to the calendar rules posted on the Oklahoma Secretary of State Rules Website related to SB441. We are requesting a waiver to adopt a calendar with fewer than 165 instructional days for the 2024-2025 school year. Prior to the 2022-2023 school year, we were in session for 158 instructional days. We would like to have that flexibility once again for this upcoming school year.

Glencoe Public Schools is a PK-12 independent district located in Glencoe, Oklahoma in Payne County. Our current enrollment is 340 students. We have been on a 4-day calendar for the better part of the past decade. This has been very beneficial for our district and is extremely popular within the community. Our last parent survey on the issue showed 97% support from our constituents to remain on a 4-day calendar. Not only have we benefitted financially, but our teacher candidate pool has increased tremendously, allowing us to provide better, more qualified teachers for our students. Two years ago in my 1st year superintendent trainings, I was the only one of 66 districts not using an adjunct or emergency certified teacher! Again this year, I am one of the very few districts in the state that did not hire any emergency certified or adjunct teachers, which is almost unheard of, and I credit that almost exclusively to our ability to follow this calendar flexibility.

Below is the requested data for Glencoe Public Schools per the rules necessary for a waiver to be granted:

- ☐ Glencoe Elementary School's Academic Growth received an "A" on the most recent Oklahoma School Report Card.
- ☐ Glencoe Elementary School's English Language Arts Growth exceeded the state average on the most recently administered OSTP assessments for the 2022-2023 school year. We scored a 103.8 in ELA, while the state average was 88.4 in ELA.
- ☐ Glencoe Elementary School's Math Growth exceeded the state average on the most recently administered OSTP assessment for the 2022-2023 school year. We scored 103.1, while the state average was an 86.7 in math.
- ☐ Glencoe Elementary School is not currently identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI).
- ☐ Glencoe High School's 4-year cohort graduation rate received an "A" on the most recent Oklahoma School Report Card, far exceeding the state average.
- ☐ Glencoe High School's academic achievement is at the state average and received a "C" on the most recent Oklahoma School Report Card.
- ☐ Glencoe High School's post-secondary indicator received an "A" on the most recent Oklahoma School Report Card, far exceeding the state average.

□ Glencoe High School is not currently identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI).

□ Financial Criteria

Glencoe Public Schools has been able to create a substantial amount of savings by reducing overall costs associated with transportation/fuel, energy costs, reduced hourly support wages, and child nutrition costs. These savings have allowed us to add additional tutors in math and reading intervention for both sites and we have purchased additional online remedial programs to further strengthen our curriculum for our most at-risk students. These savings have also allowed us to bring in outside mental health professional services, which have provided a huge benefit to our district and community.

The ability to use these funds to hire additional interventionists have already paid off, as you can see the huge increases in the growth scores, in both reading and mathematics. We were slightly above the state averages in growth the previous year, but have jumped nearly 20 points higher in each category this year.

Sincerely,

CERTIFICATE OF EXCISE BOARD

State of Oklahoma, County of Payne

We, do further certify that we have examined the statement of estimated needs for the current fiscal year ending June 30, 2023, as certified by the Board of Education of Glencoe Public Schools, District Number I-101 of said County and State, and its financial statement for the preceding year, and in so doing we have diligently performed the duties imposed upon this Excise Board by 68 O. S. 2001 Section 3007, by (1) ascertaining that the financial statements, as to the statistics therein contained, reflect the true fiscal condition at the close of the fiscal year, or caused the same to be corrected so to show; (2) struck from the estimate of needs so submitted any items not authorized by law and reduced to the sum authorized by law any items restricted by statute as to the amount lawfully expendable therefor; (3) supplemented such estimate, after appropriate action, by an estimate of needs prepared by this Excise Board to make provision for mandatory functions based upon statistics authoritatively submitted; (4) computed the total means available to each fund in the manner provided, applying the Governing Board's estimate of revenue to be derived from surplus tax of the immediately preceding year and from sources other than ad valorem tax, or reduced such estimate to not less than the lawfully authorized ratio of the several sums realized from such sources during the preceding fiscal year or to such lesser sum as may reasonably be anticipated under altered law or circumstance and using for such determination the basic collections of the preceding year and the ratios on which distribution or apportionment must be made during the ensuing or current year.

To the several and specific purposes of the estimated needs as certified, we have and do hereby appropriate the surplus balances of cash on hand of the prior year, estimates of income from sources other than ad valorem taxation within the limitation fixed by law, and the proceeds of ad valorem tax levy within the number of mills authorized, either by apportionment by the Legislature, allocation by the excise board or by legal election, all of which appropriations are made in so far as the available surpluses, revenues, and levies will permit, except in that we have also provided that, after deducting items consisting of cash and the revenue from all sources other than the 2023 tax and the proceeds of the 2023 tax levy are in excess of the residue of such appropriations, by a sum included for delinquent tax, computed at 10.0% of such residue. And provided further, if said School District has been ascertained to be a well defined State Aid District, the local budget, as approved and appropriated for, has been applied wholly to its operating accounts.

We further certify that the amount required to be raised from tax, excluding Homesteads, for General Revenue Fund purposes as approved, requires a total ad valorem tax levy of 35.000 Mills. Said levy is within the statutory limit, and if in excess, is within the constitutional limit and has been authorized by a vote of the people of said district, as shown by certificate of the School Board to-wit:

To this District, with valuations shown below, the Excise Board allocated 5.000 Mills, plus 15.000 Mills authorized by the Constitution, plus an emergency levy of 5.000 Mills; plus local support levy of 10.000 Mills; for a total levy for the General Fund of 35.000 Mills.

We further certify that the amount required to be raised for building fund purposes as approved requires a tax levy of 5.000 Mills, and said levy has been certified as authorized by a vote of the people at an election held for that purpose. We further certify that Assessed Values used in computing Mill-vote levies have been applied as certified by the County Assessor.

We further certify that we have examined the within statements of account and estimated needs or requirements of the Governing Board of Glencoe Public Schools, School District No. I-101 of said County and State, in relation to the Sinking Fund or Funds thereof, and after finding the same correct or having caused the same to be corrected pursuant to 68 O. S. 2001 Section 3009, have approved the requirements therefor to fulfill the conditions of Section 26 and 28 of Article 10, Oklahoma Constitution, and have made and certified a tax levy therefor to the extent of the excess of said total requirements over the total of items 2, 3, 6, and 12 of Exhibit Y and any other legal deduction, including a reserve of 10.0% for delinquent taxes.

State of Oklahoma, County of Pushmataha

We, do further certify that we have examined the statement of estimated needs for the current fiscal year ending June 30, 2023, as certified by the Board of Education of Antlers Public Schools, District Number I-13 of said County and State, and its financial statement for the preceding year; and in so doing we have diligently performed the duties imposed upon this Excise Board by 68 O. S. 2001 Section 3007, by (1) ascertaining that the financial statements, as to the statistics therein contained, reflect the true fiscal condition at the close of the fiscal year, or caused the same to be corrected so to show; (2) struck from the estimate of needs so submitted any items not authorized by law and reduced to the sum authorized by law any items restricted by statute as to the amount lawfully expendable therefor; (3) supplemented such estimate, after appropriate action, by an estimate of needs prepared by this Excise Board to make provision for mandatory functions based upon statistics authoritatively submitted; (4) computed the total means available to each fund in the manner provided, applying the Governing Board's estimate of revenue to be derived from surplus tax of the immediately preceding year and from sources other than ad valorem tax, or reduced such estimate to not less than the lawfully authorized ratio of the several sums realized from such sources during the preceding fiscal year or to such lesser sum as may reasonably be anticipated under altered law or circumstance and using for such determination the basic collections of the preceding year and the ratios on which distribution or apportionment must be made during the ensuing or current year.

To the several and specific purposes of the estimated needs as certified, we have and do hereby appropriate the surplus balances of cash on hand of the prior year, estimates of income from sources other than ad valorem taxation within the limitation fixed by law, and the proceeds of ad valorem tax levy within the number of mills authorized, either by apportionment by the Legislature, allocation by the excise board or by legal election, all of which appropriations are made in so far as the available surpluses, revenues, and levies will permit, except in that we have also provided that, after deducting items consisting of cash and the revenue from all sources other than the 2023 tax and the proceeds of the 2023 tax levy are in excess of the residue of such appropriations, by a sum included for delinquent tax, computed at 10.0% of such residue. And provided further, if said School District has been ascertained to be a well defined State Aid District, the local budget, as approved and appropriated for, has been applied wholly to its operating accounts.

We further certify that the amount required to be raised from tax, excluding Homesteads, for General Revenue Fund purposes as approved, requires a total ad valorem tax levy of 35.000 Mills. Said levy is within the statutory limit, and if in excess, is within the constitutional limit and has been authorized by a vote of the people of said district, as shown by certificate of the School Board to-wit:

To this District, with valuations shown below, the Excise Board allocated 5.000 Mills, plus 15.000 Mills authorized by the Constitution, plus an emergency levy of 5.000 Mills; plus local support levy of 10.000 Mills; for a total levy for the General Fund of 35.000 Mills.

We further certify that the amount required to be raised for building fund purposes as approved requires a tax levy of 5.000 Mills; and said levy has been certified as authorized by a vote of the people at an election held for that purpose. We further certify that Assessed Values used in computing Mill-vote levies have been applied as certified by the County Assessor.

We further certify that we have examined the within statements of account and estimated needs or requirements of the Governing Board of Antlers Public Schools, School District No. I-13 of said County and State, in relation to the Sinking Fund or Funds thereof, and after finding the same correct or having caused the same to be corrected pursuant to 68 O. S. 2001 Section 3009, have approved the requirements therefor to fulfill the conditions of Section 26 and 28 of Article 10, Oklahoma Constitution, and have made and certified a tax levy therefor to the extent of the excess of said total requirements over the total of items 2, 3, 6, and 12 of Exhibit Y and any other legal deduction, including a reserve of 10.0% for delinquent taxes.
