

Our Vision

Every child grows up free to create the future
they want for themselves and their communities.

Our Mission

Together with families and communities, we create joyful, academically excellent schools that prepare students with the skills and confidence to pursue the paths they choose —college, career,
and beyond—so they can lead fulfilling lives and build a more just world.

Greetings, Oklahoma Department of Education,

KIPP OKC is requesting an exemption from the state mandate of having certified personnel administer the Oklahoma School Testing Program Assessments. Due to the number of teacher vacancies and the number of teachers who are not certified, KIPP OKC does not meet the qualifications. Please let this letter serve as an official request to be exempt from the state mandate of having certified teachers administer the test.

Together, A Future Without Limits,

Michael Carter
Interim Executive Director
KIPP OKC Public Schools
