#### Section 42.8. Requirements for Exemption.

A. A school district may develop an educational improvement plan which includes exemption for the educational-related statutory requirements set forth in subsections C of this section and State Board of Education rules for the school district, a school site or any program, grade level, consortium of schools or school districts or other group within the school district. The board of education of the school district shall, through adoption of a resolution, approve the plan prior to application being made to the State board of Education.

B. Each educational improvement plan approved by the State Board of Education shall include the following components:

1. A description of the educational benefits to be derived;
2. A definition of the standards of the plan;
3. Development of definitive work products, such as site improvement plans and progress reports;
4. Demonstration of collaboration by teachers, administrators, higher education representatives, students, parents/families, and the community;
5. Development and the use of an assessment mechanism to determine progress in meeting the goals and objectives of the plan;
6. Development of an in-service training plan to be provided to personnel at the site who will participate in the project;
7. Report on the results of the plan to the State Board of Education and provision of appropriate technical assistance to other school districts and the State Department of Education as required; and
8. Explanation of how the plan will affect other schools, program or sites in the district.

C. Each educational improvement plan shall include a list of the specific educational-related statutory requirements and State Board of Education rules the school district is requesting an exemption from and why each exemption is necessary to success of the plan. The school district shall not be granted an exemption from federal educational-related requirements. A school district may request an exemption from any statutory requirement or State Board of Education rule not related to bilingual and special education programs, health and safety provisions, school finance, State Aid, pupil formula weights, teacher salary and teacher retirement, the Oklahoma School Testing Program, the Oklahoma Educational Indicators Program and the teacher preparation, examination, licensure, certification, residency and professional development system. The State Board of Education may grant district-wide exemptions from certification requirements for Library Media Specialist to districts experiencing a shortage in this area. The State Board of Education may grant an exemption from certification requirements for superintendents to any district with an unweighted average daily membership over twenty-five thousand (25,000). NAME OF WAIVER Specialist

- A. Reason for Deregulation request. Please include circumstances that necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?**

This December I will graduate with a master's in Library Media Education. I request that I continue running the library at Lakehoma Elementary until I complete my degree. If the request is not granted Lakehoma would need to hire a new librarian for the 2023-2024 school year.

- B. List alternate strategies/ plans which the site proposes, and how this plan will best serve your district's students, i.e., a description of the educational benefits to the students and learning achievements and any negative impact if the waiver were to be denied.**

A mentorship has been set up between several librarians in the district and me to assure our students will receive the highest standard of education within the library. For the past two years, I have been the librarian at Lakehoma Elementary. If this waiver were to be denied the burden of trying to find a replacement librarian would greatly hinder the library at Lakehoma.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?**

For the past two years, the deregulation has previously been awarded. The library has undergone a great deal of changes to promote the love of reading to our students. The average age of our collection has improved, along with our students' checkout rate. Lakehoma library is successfully meeting the needs of all stakeholders. I expect in the next year I will again raise the average age of our collection and increase the student checkout rate.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.**

**E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.**

Mustang Public Schools is not required to pay me a master's level salary until I have fully graduated with my degree. This is saving the district money. I am unsure where the funds are relocated within the district.

**F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.**

Mustang Public School uses TLE to evaluate the effectiveness of its educators. The Destiny records show an increase in our students checkout rate.

To Whom It May Concern,

I am writing this letter to request your consideration for a waiver for the 2023-2024 school year. I will be graduating this December with a master's degree in library media specialist from the University of Central Oklahoma. Additionally, I have passed the state test for library media specialist. This fall I am completing my final class that will allow me to graduate in December.

Thanks for your consideration,

Brandy Wauters

**A. Reason for the waiver/deregulation request (be specific).**

Enid Public Schools was unable to hire a certified Library Media Specialist for Waller Middle School. The district used extensive traditional and non-traditional methods to advertise this position on the local and state levels. The school district is requesting a waiver for Jill Stuever, who is working on her library media specialist certification and her master's degree.

**B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.**

Mrs. Stuever earned her bachelor's degree from University of Oklahoma. She has been teaching 1st grade for at Glenwood Elementary. She is currently working on her Master's degree in library media from East Central University. We believe she will be an excellent addition to the library at Waller, and that her enthusiasm and love of literacy will ensure that the library continues to be the hub of the school's academic activity.

**C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.**

We are confident that there will not be a negative impact to the district or to our students as result of this request. Mrs. Stuever leadership in the library will an asset of the school. We anticipate that the library will continue to be a vibrant, vital part of the learning environment for students.

This waiver request will not have a direct impact on the other sites, as they are served by their own library media specialist. The other library media specialist are assisting Mrs. Stuever with professional development during the regular meeting through ongoing communication. She is already networking and learning from other professionals in the district.

To whom it may concern:

Enid Public Schools is requesting an accreditation waiver for Waller Middle School regarding their library media specialist, who is currently working on her master's degree and certification.

Jill Stuever has eighteen years of teaching experience as an elementary teacher. She has a bachelor's degree in elementary education from University of Oklahoma. We are confident that her instructional expertise will greatly benefit Waller as a library media specialist.

She is taking classes at East Central University in the area of library media education and will complete the program, and earn her LMS certificate, by Fall of 2024. Therefore, the district is asking that this waiver be approved for three years. We will send proof of Mrs. Stuever's enrollment and continued progress on an annual basis.

Thank you for your consideration.

Sincerely,

Dr. Dudley Darrow  
Superintendent

**A. Reason for the waiver/deregulation request (be specific).**

Enid Public Schools was unable to hire a certified Library Media Specialist for Garfield Elementary School. The district used extensive traditional and non-traditional methods to advertise this position on the local and state levels. The school district is requesting a waiver for Traci Layton-Conrady who is working on her library media specialist certification and her master's degree.

**B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.**

Mrs. Layton-Conrady earned her bachelor's degree from Northwestern Oklahoma State University. She is currently working on her Master's degree in library media from University of Central Oklahoma. We believe she will be an excellent addition to the library at Garfield, and that her enthusiasm and love of literacy will ensure that the library continues to be the hub of the school's academic activity.

**C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.**

We are confident that there will not be a negative impact to the district or to our students as result of this request. Mrs. Layton-Conrady leadership in the library will an asset of the school. We anticipate that the library will continue to be a vibrant, vital part of the learning environment for students.

This waiver request will not have a direct impact on the other sites, as they are served by their own library media specialist. The other library media specialist are assisting Mrs. Layton-Conrady with professional development with regular meetings and ongoing communication. **E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.**

There will be no financial impact to the district as a result of this waiver request.

**F. Describe method of assessment or evaluation of effectiveness of the plan.**

NAME OF WAIVER

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?
- Cimarron Public Schools is requesting a Statutory Waiver in the area of Library Media Specialist. The district employs an individual who has pursued her degree as a Library Media Specialist. She will be graduating in May with a degree as a Library Media Specialist and has passed the Library Media Specialist subject area test. The district believes a waiver is more appropriate than a deregulation as the individual will be fully certified at the end of the 24SY. The district posted for the position in the past and has been unable to receive a fully certified applicant. If the waiver is denied, the district will then seek a deregulation and continue with this employee until they complete their program in May. One hundred percent of our population will benefit from the approval of this waiver.
- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.
- The district will continue to utilize an employee who has completed 90% of her program as a Library Media Specialist. She will continue to implement strategies learned through her program and experience working in the school library for the past several years. Students have and will continue to benefit from her knowledge through her educational studies as well as her experience in the library. If the waiver is denied, the district will be impacted negatively by being forced to deregulate. This would be unnecessary as this employee will be fully certified at the end of the 24SY.
- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.
- By granting the Statutory Waiver for the Library Media Specialist, the district will be able to continue providing necessary services to all students in the district by promoting the importance of reading and granting access to books which will enrich the education of our students. If the waiver is not granted, students will be impacted by the lack of someone with knowledge and experience who can assist and support their learning opportunities. The district recognizes the importance of student access to library media materials along with the knowledge of an individual who can enrich their learning experiences.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Mrs. Hess is currently enrolled in the Library Media Program at the University of Central Oklahoma. She is currently enrolled in 3 hours for the Fall semester, will take 6 hours in the spring semester, and graduate in May. She has passed the subject area test. Mrs. Hess is located in the library throughout the day along with providing reading support to students for two periods a day.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

There would be no financial impact to the District either positive or negative for the proposed waiver. Any and all allocations for the library will be spent to support student learning and to make a positive impact on students.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The district will use the TLE to assess the effectiveness of Mrs. Hess as the Library Media Specialist according to the rubric provided. The administration will also take into account ACT scores of students, graduation rates, the impact Mrs. Hess has on students under the RSA plan and the School Report Card. The Library Media Specialist is utilized to increase reading scores and to obtain proficiency of all students in reading within the district.

To: Accreditation Division

Cimarron Public Schools is requesting a one-year Statutory Waiver 70 O.S. & 3-126 **Library Media Specialist/waive certification only to Standard VII-** teacher attending college/university to obtain library Media Specialist certification. This waiver allows Cimarron Public Schools to provide quality library services in a time of national and statewide shortages of certified school librarians.

The district posted the position being able to fill the vacancy with a certified staff member, Patricia Hess, attending the University of Central Oklahoma working toward a Master's degree as a Library Media Specialist. Mrs. Hess has passed her certification test and is on track to graduate, with a completion of degree, in May of 2024.

This Library Media Specialist certification waiver for Cimarron Public Schools would be a positive step in fulfilling the need for a full-time certified library media specialist in this district. Attached are the required documents of enrollment of a program, letter of explanation, proof of a passed certification test and the waiver request.

Thank you for your time and consideration. We appreciate your continued support and will be happy to discuss the request in detail if further information is needed.

Respectfully submitted,

## **STATUTORY WAIVER/DEREGULATION**

### **A. Reason for the waiver request:**

We posted the job opening for our library media specialist for a reasonable amount of time. We only had one certified candidate apply and we offered her the job after an interview. She decided to take a position in another district. The district could split a currently certified library media specialist with another elementary school and have an assistant at each school, however, we believe this would not be best for either school. A dedicated media specialist at each school would be most beneficial for the needs of the students. Adriane Kirton, for whom we are requesting the waiver, currently has a bachelor's degree and will be attending Northeastern Oklahoma State University in the fall to work toward her library media specialist requirements. One-hundred percent of our students would benefit from the waiver if approved as all students utilize the library program.

### **B. List alternate strategies/plans which the district/site proposes:**

Adriane Kirton served as a volunteer in our library for several years. She would be taking the place of her mother who served as the library media specialist for several years and did a fantastic job of collaborating with teachers to meet the needs of all of our students. She would be using the same strategies and plans as her mother in continuing the continuity of a successful library program. Should the waiver be denied, we would not have the library media specialist available to collaborate with our teachers in order to meet the individual needs of classrooms and students.

### **C. Educational Impact to the district:**

The result of the Statutory Waiver/Deregulation will be positive for our school and in turn for the district. It will allow a currently certified library media specialist at another elementary school to remain at his/her current school full time instead of having to travel between sites. It will also allow our school to keep the current continuity in our library as Ms. Kirton has spent a great deal of time working in our library in the past and would be able to transition to her new position seamlessly. With that said, Adriane would be able to continue to work with our collaborative grade level teams to help meet learning requirements and in turn help with student performance levels.

### **D. Timeline:**

Included is our Elementary Librarian Curriculum map. This is a general map that will be modified throughout the year based upon review of grade level essential standards. Each grade will have a pacing calendar that Common-Formative Assessments are based on. Our library media specialist is involved with our collaborative teams that meet

to look at the data from assessments and they determine what and if any interventions or supports from the library are needed.

**E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation?**

If anything, the granting of the Statutory Waiver/Deregulation will have a negative impact financially for the district, but we believe this would be what is best for our students overall performance. One small benefit of hiring an entry level paid library media specialist despite her experience working in the library as opposed to our former librarian with years of experience would mean the district could use the amount saved to possibly re-allocate the money into the general fund to help fund the salaries of instructional coaches the district is implementing this year.

**F. Describe method of assessment or evaluation:**

The evaluation of effectiveness of this plan can be reviewed through many lenses. Because Ms. Kirton will be involved in our grade level collaborative and data teams; these may include but may not be limited to our Common-Formative Assessments, OSTP data, RSA scores, and Maps test data. She will of course also be evaluated using the Librarian Rubric in the Teacher-Leader Effectiveness Model.

August 29, 2023

To whom it may concern,

My name is Adriane Kirton and I am enrolled in the Library Media Specialist masters degree program at NSU. My intent is to complete the degree plan and become a fully licensed Library Media Specialist working for Claremore Public Schools.

Sincerely,

Adriane Kirton

# Claremore Public Schools

---

9/8/2023

Accreditation Standards Division  
2500 North Lincoln Boulevard, Suite 210  
Oklahoma City, Oklahoma 73105-4599

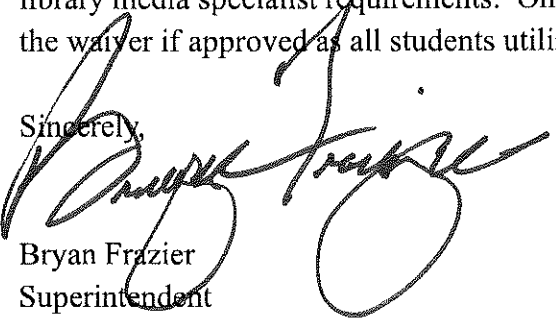

Dear Standards Division Team,

During the summer of 2023, the Library Media Specialist position at Roosa Elementary within Claremore Public Schools resigned. We posted the position for a reasonable amount of time and had one qualified applicant who submitted an application. Following an interview, we offered the position and the candidate decided to accept a job in a different district.

One potential solution was to split a currently certified library media specialist with another elementary school in our District and place an assistant at each school; however, after further thought, the split did not provide the best opportunities for our students.

Adriane Kirton, for whom we are requesting the waiver, currently has a bachelor's degree and is currently attending Northeastern Oklahoma State University in the fall to work toward her library media specialist requirements. One-hundred percent of our students would benefit from the waiver if approved as all students utilize the library program.

Sincerely,

Bryan Frazier  
Superintendent  
Claremore Public Schools

NAME OF WAIVER

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?

70 O.S. § 3-126 - Library Media Specialist/waive certification only - teacher attending college/university to obtain Library Media Specialist certification.

The District seeks permission to continue the currently successful Intern LMS (Library Media Specialist) Program, under which we hired certified classroom teachers and college graduates with extensive library experience/education to work as intern librarians.

- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.

LMS interns for their first 2 years of serving our district will be connected to a team of veteran and mentor librarians along with the library services manager to coach and support them during this time. In order to ensure our Interns are well trained to serve students, they will attend quarterly meetings with the following curriculum Intern LMS In-service Curriculum:

I. First year librarians will participate in a start-up workshop (if we are able to meet in person the workshop will be at least a full day of training prior to start of school. Should distance learning be required at least 4 hours of zoom training will be provided.): Mission of School Library Media, Program, Standards for Library Programs, developing an equitable library program by working successfully with all students, Collaborating with Staff to Support Learning, introduction to the Online Catalog system and district digital resources, your first week in the school library.

II. Quarterly Seminars (held each school quarter in person or by remote learning methods): Promoting Reading: a Selection of Activities, Collaborating with Teachers to Achieve Curriculum Standards, Selecting the Best: An Overview of Current Children's Literature, Selection Tools: Creating library/curriculum aligned collections, Online Ordering Procedures, Hands-On Standards-based Inquiry Learning, and Classroom Research Connections, Online Resources Training (Databases may include: Oklahoma Digital Prairie resource collections, World Book, PebbleGo, Grolier Online, Gale Student Resource Center), New trends in Librarianship (Maker Space, and tinkering to learn strategies).

If Tulsa Public Schools were denied the waiver, the number of school sites without a librarian would increase across the district. Librarians work directly with students, teaching students how to learn, and helping teachers drive student success. School librarians work with every student in the school, teaching them to think critically, providing the resources and support learners need in school and beyond, and nurturing their creativity.

- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Past District library media waivers have resulted in all library positions having been filled/staffed in spite of a state and national shortage of library media specialists. TPS's investment in full-time LMS for all sites has manifested itself in terms of free reading materials being available in the homes of students who would otherwise not have access. National studies indicate that more reading means higher achievement, so Tulsa Public Schools is making a sound investment. Our past waivers have allowed the district to fully staff school libraries and help graduate highly qualified teachers/librarians who are working with students throughout the district and the state. Renewal of this waiver will enable TPS to continue to staff with full-time LMS at all elementary and secondary school sites.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

District training and support will be provided for our Intern librarians as they work towards becoming fully certified librarians.

\*Each new Intern LMS is provided at least one full day of training prior to the start of school their first year in the LMS Intern Program.

\*Intern LMS are provided release time to attend mandatory, quarterly training seminars for two school years. A total of 20 hours of district training in library management is provided and required annually.

\*Support and assistance are provided by a certified library media specialist teacher/trainer acting as consultant who visits the school as needed throughout the waiver period. \*Intern LMS are required to be enrolled in a graduate library information studies program, actively working toward library media certification.

\*Library Media Certification is expected at the completion of this program. A three-year timeline is targeted for obtaining certification.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation?  
If positive please describe where the available would be reallocated.

There is no financial impact to the district.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Intern LMS will be surveyed at the end of the year, and the library services manager will complete a program evaluation at the conclusion of each school year, in three-year waiver term to evaluate and improve our intern program.

\*\* You will be contacted if more information is needed to process this request.

## AGENDA

**Regular Meeting** of the Board of Education, Independent School District Number One, Tulsa County, Oklahoma, **August 21, 2023**, at 6:30 PM in the Cheryl Selman Room, ground floor, at the Charles C. Mason Education Service Center, 3027 S. New Haven Avenue, Tulsa, OK.

With the exception of item A-1, the Board of Education reserves the right to take up any agenda item in any order regardless of how items are listed.

This is an open, public meeting held in accordance with the Open Meeting Laws of the State of Oklahoma. The purpose of this meeting is to conduct the business of the School District. As the elected representatives of the School District voters and school patrons, the School Board members will be making decisions concerning the operation of the School District.

In accordance with Board Policy 1301, individuals may comment on items or recommendations appearing under the Action portion of a regular meeting agenda. The public may make their comments via telephone or in person. Requests to comment must be made by submitting a completed form for each topic. If requesting to comment during the meeting via telephone, please fill out a form online on the Tulsa Public Schools website at:

<https://www.tulsaschools.org/about/board-of-education/requesttospeakonagendaitem>

no later than noon on the day of the board meeting. Paper forms are available from the Board Clerk before the beginning of each meeting and will be accepted up to 6:25 PM on the day of the meeting.

Persons desiring to address the Board concerning items not on the agenda must submit a Citizens' Comment form available at this [link](#) or from the Clerk of the Board, at least seven days prior to each meeting.

COST: No cost to the district

**RATIONALE:**

Through this agreement, the talent management recruitment team and other hiring managers will work with members of the Coffee Bunker to identify veterans who are qualified to fill vacancies in our district. This program is one way that our district can honor the sacrifices our veterans have made for our country by providing qualified candidates with a steady income with opportunities for advancement.

**E.6. RECOMMENDATION:**

Submit an application to the Oklahoma State Department of Education for a three-year district-wide waiver to Standard VII, the governing accreditation standard outlining library requirements for Oklahoma schools, concerning staffing of school library media centers. This waiver will cover the school years from 2023-2024, 2024-2025 through 2025-2026.

COST: No cost to the district.

**RATIONALE:**

The waiver allows the district to create an Intern Library Media Specialist Program and "grow our own" librarians in a time of national and statewide shortages of certified library media professionals. Due to a shortage in traditionally certified library media specialists in the state, this waiver allows a district to take highly qualified teachers and assist them through the certification process. Teachers under the waiver will serve as the librarian while they complete their graduate courses and/or certification exam. They will not have a classroom teaching assignment.

**E.7. RECOMMENDATION:**

Approve the following teachers for adjunct status during the 2023-2024 school year.  
Booker T. Washington High School

Michael Blazek - IB Film

Fredrick Jones - IB Sports, Exercise & Health Science

Lester Shaw - Piano Lab

Alex O'Boyle-Ince - Jazz Lab

**RATIONALE:**

Generally, teachers must hold a valid Oklahoma teaching certificate to teach in the area for which they have been assigned. However, adjunct authorization allows a person not certified within the needed area to teach without penalty. The above teachers hold appropriate content knowledge in the fields listed but do not currently hold certification in the subject area(s) listed.

**INFORMATION AND ANALYTICS**

**E.8. RECOMMENDATION:**

Enter into a contract with Cox Communications, Inc., effective September 1, 2023, through June 30, 2024, to increase our connection rate for Cox Business Internet service at Remington.

**FURTHER RECOMMEND:**

The attorneys for the school district prepare/approve the appropriate contract

## TULSA PUBLIC SCHOOLS

EQUITY CHARACTER EXCELLENCE TEAM JOY

To: Oklahoma State Department of Education, Accreditation Division  
From: Deborah A. Gist  
Tulsa Public Schools  
Date: September 7, 2023  
RE: Library Statutory Waiver/Deregulation Application

Tulsa Public Schools is seeking a three-year School District Empowerment Program deregulation waiver to Standard VII, 70 O.S. § 3-126, the governing accreditation standard outlining library requirements for Oklahoma schools, concerning staffing of school library media centers. This waiver will cover the school years from 2023-2024, 2024-2025, through 2025-2026. The waiver allows Tulsa Public Schools to continue the Intern LMS, Library Media Specialist Program, and "grow our own" librarians in a time of national and statewide shortages of certified Library Media Professionals.

Tulsa Public Schools strives to have fully certified librarians at every school. This waiver serves an important role in ensuring every student has access to quality library services every day despite the national shortage of school librarians. The certified applicant pool has remained low, and we have turned, once again, to certified classroom teachers and highly qualified graduate students to fill library positions as they continue working toward certification. The TPS library media intern program is a great success. Many of our current LMS have participated in the intern program and four have gone on to win the Polly Clarke Award for Outstanding Librarian for the State of Oklahoma. This program strategy has enabled us to meet our goal of providing every student the services of a highly qualified teacher librarian.

Therefore, we respectfully seek a three-year School District Empowerment Program deregulation waiver of the Statutory Waiver Standard VII, 70 O.S. § 3-126 - Library Media Specialist/waive certification only -teacher attending college/university to obtain Library Media Specialist degree and certification. Thank you for your consideration of this waiver extension. We appreciate your continued support and will be happy to discuss the request in detail.

Sincerely,

Deborah A. Gist  
Superintendent

RE: Library Waiver – Certification Intent

Dear Sir or Madam:

I am in process of obtaining my Library Media Specialist Certification through the library media specialist program at Northeastern State University. I intend to work at Hale Middle School under the library waiver offered by the Oklahoma State Department of Education (70 O.S. § 3-126). I understand that I will have three years to complete this program and be fully certified through the Oklahoma state Department of Education in Library Media Specialist in order to continue in a certified library position.

Best,

Jessica Zehner

Dear Jessica,

Welcome to NSU Graduate College!

Congratulations! You have been accepted into the Library Media and Info Tech, MS for the Spring 2023 Graduate Term. I am Alesha Baker and I will be your graduate program advisor. You will find my contact email below. Please read the following carefully as it contains important program admission information.

We believe that a stimulating, intellectual discussion between students and faculty is a necessary ingredient of a successful graduate program. We have admitted you because we think that you will be able to make an important contribution to this research dialogue. In turn, we hope that the personal supervision we offer, together with the collegial atmosphere of our graduate students, will combine to make your stay here very rewarding - personally, academically, and professionally. All faculty and staff, as well as your fellow graduate students in the program, welcome you to graduate studies at NSU!

### PROGRAM ADVISING

All graduate students should meet with the assigned advisor prior to enrolling each semester. Please contact your advisor for specific details and requirements.

**Please note the Following:**

### ORIENTATION VIDEO FOR THE NSU GRADUATE COLLEGE

The Graduate College has created an online orientation for all new graduate students, regardless of the selected program. This orientation covers information about the NSU graduate college and what to expect as a new grad student! Please use this link: <https://www.go2orientation.com/nsuok>. Simply create your user profile and follow the prompts. The session is designed as a "come and go" so feel free to complete it as your schedule allows!

It is recommended that you complete the graduate college orientation (linked within the NSU Graduate College homepage), meet with your advisor often, and make sure your spam filter is set to receive emails from Northeastern State University. If you need assistance, please contact your advisor or the Graduate College at 918-444-2093 (TQ) or 918-449-6123 (BA).

### ACTIVATING YOUR NSU STUDENT ACCOUNT

After viewing the orientation video, activate your NSU student account. Visit the [Next Steps tab](#) on the [Graduate](#)

College webpage to review the instructions for activating your student account. The "Next Steps" page provides you with step-by-step instructions on how to set up your account, check your email, check your holds, and how to enroll. You will need your student ID (NSU N#) during this setup, which is located in the upper left-hand corner of this letter.

Once again, welcome to the NSU Riverhawk family!

Sincerely,

Alesha Baker

Dear Kaitlyn,

CONGRATULATIONS on your admission to the Library and Information Studies, Master - Tulsa Campus program and the Tulsa Graduate College of the University of Oklahoma! We believe that you have demonstrated the potential for success in graduate study. On behalf of our administration, faculty, staff and students, I welcome you to our OU family.

It is an exciting time to be a student at the University of Oklahoma. At OU, you will experience a stimulating academic community where you are a hands-on participant in the learning process. Join us and discover the benefits of a major research institution while receiving the personal attention and support you deserve. As part of the OU family, we care about you and your personal success. Faculty and staff members serve as mentors and encourage your academic and personal growth. We understand it is our responsibility to help prepare you to excel now and in the future.

As a new Sooner, I'm sure you are wondering what your next step should be. **To find out how to create your student account, be advised, enroll, and other important information, please click on the following link to find your Sooner Guide, which will assist you in this endeavor: [Sooner Guide](#).** (Please allow up to 24 hours after receipt of this letter for your decision to be processed by our system to create your OU student account.)

If you did not submit an official transcript from your last degree-granting university with your application, please have one sent to Tulsa admissions. A transcript is considered official if it arrives in our office in a stamped, sealed envelope, or as an official e-transcript in an email directly from the issuing university.

I hope you will find your educational experience at the University to be rewarding. The graduate admissions staff is available to assist you in any way possible. You may reach us at 918-660-3474 or at [tulsainfo@ou.edu](mailto:tulsainfo@ou.edu).

We look forward to welcoming you for the Spring 2022 term.

Sincerely,

Dear Paige,

Welcome to NSU Graduate College!

Congratulations! You have been accepted into the Library Media and Info Tech, MS for the Fall 2023 Graduate Term. I am Heidi Jenkins and I will be your graduate program advisor. You will find my contact email below. Please read the following carefully as it contains important program admission information.

We believe that a stimulating, intellectual discussion between students and faculty is a necessary ingredient of a successful graduate program. We have admitted you because we think that you will be able to make an important contribution to this research dialogue. In turn, we hope that the personal supervision we offer, together with the collegial atmosphere of our graduate students, will combine to make your stay here very rewarding - personally, academically, and professionally. All faculty and staff, as well as your fellow graduate students in the program, welcome you to graduate studies at NSU!

### PROGRAM ADVISING

All graduate students should meet with the assigned advisor prior to enrolling each semester. Please contact your advisor for specific details and requirements.

**Please note the Following:**

### ORIENTATION VIDEO FOR THE NSU GRADUATE COLLEGE

The Graduate College has created an online orientation for all new graduate students, regardless of the selected program. This orientation covers information about the NSU graduate college and what to expect as a new grad student! Please use this link: <https://www.go2orientation.com/nsuok>. Simply create your user profile and follow the prompts. The session is designed as a "come and go" so feel free to complete it as your schedule allows!

It is recommended that you complete the graduate college orientation (linked within the NSU Graduate College homepage), meet with your advisor often, and make sure your spam filter is set to receive emails from Northeastern State University. If you need assistance, please contact your advisor or the Graduate College at 918-444-2093 (TQ) or 918-449-6123 (BA).

### ACTIVATING YOUR NSU STUDENT ACCOUNT

After viewing the orientation video, activate your NSU student account. Visit the [Next Steps tab](#) on the [Graduate](#)

College webpage to review the instructions for activating your student account. The "Next Steps" page provides you with step-by-step instructions on how to set up your account, check your email, check your holds, and how to enroll. You will need your student ID (NSU N#) during this setup, which is located in the upper left-hand corner of this letter.

Once again, welcome to the NSU Riverhawk family!

Sincerely,

Heidi Jenkins

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

We do not have a need for Library/Media Specialist. We don't have the available funds to hire for that position. We also don't have a need to fill that position. We have trained all staff in procedures of checking out/in books and other essential activities. Most of our staff use online libraries.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

All staff have been trained on all library activities. Most staff use online tools instead of library.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

We don't have a need. Our staff have been trained to handle every need in the library.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Library Hours of Operation

8:00 AM - 9:02 AM Wes Wood

9:05 AM - 9:55 AM Chad Graham

9:58 AM - 10:48 AM Jim Jenson

10:51 AM - 11:41 AM Liz Hall

11:44 AM - 12:57 PM Jessie Weeks

1:00 PM - 1:50 PM Wes Wood

1:53 PM - 2:43 PM Stan Moore

2:46 PM - 3:30 PM Liz Mackey

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

We had combined classes in the past. We have tried to utilize monies we have to fix that issue. We also have purchased software to help out our math and reading scores on state tests. Our budget is small, so we have to be very innovative and mindful of our spending. A library media specialist doesn't fit our most urgent issues.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

As long as the staff can function as needed, we will continue not to have that position.

\*\* You will be contacted if more information is needed to process this request.

SUPERINTENDENT Chad Graham  
PRINCIPAL Wes Wood

Pittsburg Public School would like to ask for the deregulation of our Library Media Specialist. We are on a tight budget and are targeting the most pressing issues we are facing. We have had combined classrooms in the past and our test scores need help as well. We are hiring staff to make sure no classes are combined as well as purchasing software (Imagine math and language arts) to bolster our test scores. Our teachers are trained to check out books and utilize the library to its full capacity.

Dear Kaitlyn,

CONGRATULATIONS on your admission to the Library and Information Studies, Master - Tulsa Campus program and the Tulsa Graduate College of the University of Oklahoma! We believe that you have demonstrated the potential for success in graduate study. On behalf of our administration, faculty, staff and students, I welcome you to our OU family.

It is an exciting time to be a student at the University of Oklahoma. At OU, you will experience a stimulating academic community where you are a hands-on participant in the learning process. Join us and discover the benefits of a major research institution while receiving the personal attention and support you deserve. As part of the OU family, we care about you and your personal success. Faculty and staff members serve as mentors and encourage your academic and personal growth. We understand it is our responsibility to help prepare you to excel now and in the future.

As a new Sooner, I'm sure you are wondering what your next step should be. **To find out how to create your student account, be advised, enroll, and other important information, please click on the following link to find your Sooner Guide, which will assist you in this endeavor: [Sooner Guide](#).** (Please allow up to 24 hours after receipt of this letter for your decision to be processed by our system to create your OU student account.)

If you did not submit an official transcript from your last degree-granting university with your application, please have one sent to Tulsa admissions. A transcript is considered official if it arrives in our office in a stamped, sealed envelope, or as an official e-transcript in an email directly from the issuing university.

I hope you will find your educational experience at the University to be rewarding. The graduate admissions staff is available to assist you in any way possible. You may reach us at 918-660-3474 or at [tulsainfo@ou.edu](mailto:tulsainfo@ou.edu).

We look forward to welcoming you for the Spring 2022 term.

Dear Emily,

Congratulations! You have been accepted into the Library Media and Info Tech, MS for the Spring 2022 Graduate Term.

We believe that a stimulating, intellectual discussion between students and faculty is a necessary ingredient of a successful graduate program. We have admitted you because we think that you will be able to make an important contribution to this research dialogue. In turn, we hope that the personal supervision we offer, together with the collegial atmosphere of our graduate students, will combine to make your stay here very rewarding - personally, academically, and professionally. All faculty and staff, as well as your fellow graduate students in the program, welcome you to graduate studies at NSU!

### PROGRAM ADVISING

If you have not done so yet, contact my office at your first convenience to schedule an advising appointment. Together, we will establish a degree plan for the timely completion of your master's degree and choose appropriate courses for your first semester of enrollment. We are excited to share this experience with you!

### ORIENTATION VIDEO FOR THE NSU GRADUATE COLLEGE

The Graduate College has created an online orientation for all new graduate students, regardless of the selected program. This orientation covers information about the NSU graduate college and what to expect as a new grad student! Please use this link: <https://www.go2orientation.com/nsuok>. Simply create your user profile and follow the prompts. The session is designed as a "come and go" so feel free to complete as your schedule allows!

### ACTIVATING YOUR NSU STUDENT ACCOUNT

After viewing the orientation video, activate your NSU student account. Visit the [Next Steps tab](#) on the [Graduate College webpage](#) to review the instructions for activating your student account. The "Next Steps" page provides you with step-by-step instructions on how to set up your account, check your email, check your holds, and how to enroll. Dear Alison Keeter,

Congratulations! You have been conditionally admitted to the University of Central Oklahoma's Jackson College of Graduate Studies to begin the Library Media Education, M.Ed. - 100% Online program for the Summer 2021 semester. Your conditional admission status can be updated when you complete the prerequisites required for your degree program.

Your graduate program advisor has indicated the following message to you concerning your prerequisite course(s) to complete.

Need copy of teaching certification prior to completion of the program.

Given your admission status, you will need to complete all prerequisites within 12 months of being granted UCO graduate admission. If the prerequisites are not completed by the deadline, students may be suspended from graduate study.

You can view the [Graduate Catalog](#) to learn the current requirements associated with our graduate programs. We are pleased you have chosen the University of Central Oklahoma and look forward to all you will accomplish in your graduate degree endeavors.

*Renesha,*

On behalf of the Graduate College Dean, Dr. Cari Keller, allow me to welcome you to Northeastern State University's Graduate College!

We at the graduate college are excited that you selected NSU as your university of choice! GO GRAD!

Please read the following email carefully as it contains important information you will need as a new Graduate Student at NSU. Most questions can be answered within the graduate college web page:  
<https://academics.nsuok.edu/graduatecollege/>

GO GRAD Next Steps:

***Orientation:***

We have created an online orientation for all new graduate students. This orientation covers information about NSU graduate college and what to expect as a new grad student! Please use this link: [www.go2orientation.com/nsuok](http://www.go2orientation.com/nsuok) to access the page. Simply create your user profile and follow the prompts. The session is designed as a "come and go" so feel free to complete as your schedule allows!

***Admission Letter:***

Within the next day, you will need to log back into your self-service application portal, <http://apply.nsuok.edu/> to view any further requirements that may need to be submitted. Be sure to select the correct term in the "Finish and Check Status" box with in the link above.

Although your graduate advisor will be contacting you shortly, you can also reach out to them. Your advisor's name and contact information will be available in your Graduate College Admission letter available in your application portal. It is also available in this email.

It may take up to 24 hours for your letter to be available in your portal.

***Please Note:***

**Admission to the Graduate College does not imply acceptance to a degree program. Some programs may require additional program admission steps including interviews or additional requirements not included within the application form. Your selected program will provide you with more information. For detailed information on each program, please visit the graduate college website:**  
<https://academics.nsuok.edu/graduatecollege/>

***Activating your student goNSU Account:***

Your NSU N number (NXXXXXXXX) serves as your identification within our system. This is used to activate your student account after admission. Your NSU N number is included with this email and is in your admission letter. You will need to activate your NSU student account 48 to 72 hours after you have been

admitted to the graduate college. By activating your account, you will be able to access your NSU email, the goNSU student portal and other sites restricted to admitted students. The following page within the graduate college web site <https://gradcollege.nsuok.edu/NextSteps.aspx>, includes details of the steps to activate your account.

### ***Financial Aid and Scholarships:***

We have a variety of aid and scholarships available to graduate students. Please see our scholarship page, our graduate college page and our financial aid office for more information and applications.

Scholarship page: <https://scholarships.nsuok.edu/>

Graduate College Page: <https://gradcollege.nsuok.edu/FundingandScholarships.aspx>

Financial Aid Office: <https://offices.nsuok.edu/financialaid>

### ***Enrollment:***

Not sure how to enroll? Don't worry, we have created step-by-step instructions to make the enrollment process easier for you!

The first semester you are eligible to enroll is stated at the top of your acceptance letter. **If you do not enroll in coursework this semester, then your NSU admission becomes inactive and you will need to re-apply.**

Please contact your adviser prior to enrollment to complete your degree plan and map your course schedule. Enrolling early helps ensure you will get the classes that fit into your busy schedule!

If you are in an Accelerated Degree Program (ADP) or a provisionally admitted NSU Senior, you will need to complete a permit to enroll prior to enrollment. Instructions are provided in the above link.

Another note, **if you enroll in coursework, but do not attend, you must withdraw from your course. The graduate college nor your program will withdraw you. Please see this link for more information:**  
<https://offices.nsuok.edu/registrar/Withdrawal>.

We are excited to work with you during the upcoming semester! If you have any questions, please do not hesitate to contact us.

Be sure and “LIKE” us on Facebook so you can stay up to date on news and events.

Hi, Renesha!

Welcome back. We are excited to see that you have decided to return to work toward earning your Master's Degree! You have already completed six credit hours in the program, leaving you only 27 more to go.

**We will need to meet again to sign another Degree Plan for you. To schedule a meeting with me, please visit my calendar to sign up for a virtual meeting time.** If none of the available times work for you, email me and we can set up an alternative time.

In the meantime, feel free to look over our course rotation. You can even go ahead and enroll for the fall semester prior to our meeting. Some of the courses are already full. but I would recommend you considering taking:

- LIBM 5123-This is an online 2nd 8 weeks course that begins mid-October.
- EDUC 5463 Differentiated Instructional Strategies, This would fulfill your Enrichment Requirement and is offered online.

I look forward to working with you again.

Good morning Alesha,

I am excited to be admitted once again as a graduate student. Thank you for providing the course information for enrollment; however, I can't seem to add classes once I log into the "go nsu" system. After logging in add selecting "add courses" the system kicks me completely out. I've spoken to IT regarding this and I haven't received much assistance. Is there anyway that you can assist me with enrolling into the suggested courses for my program?

Renesha,

I, unfortunately, do not have any way to do anything more than you can do to enroll. I wish I did. Have you tried calling IT? Sometimes it is easier to work with them over the phone than it is via email. It may also be something going wrong with the system right now. Maybe try back in a few hours or even tomorrow.
