

Media Program Standards

updated 2023

This document presents consolidated information regarding the expectations for a media program at a public school as outlined in the Oklahoma Administrative Code (OAC)ⁱ, which was last updated in 2023. When OAC language was identical across school levels, it was combined in this document for concision with labeled school levels. The penultimate single digit in the codes indicates if the language is general (3), elementary (5), middle level (7), or secondary (9). When 5,7,9 appear together in the code, the OAC language is identical for all school levels.

- An elementary school can be any combination of PK-8.
- “A middle level school shall include one or more grades in the fifth through ninth sequence” (OAC 210:35-7-21).
- “A high school may be a 2, 3, or 4 year school that includes at least 2 consecutive grades between 9 and 12 in its organization” (OAC 210:35-9-21).

Part 13. Standard VII: THE MEDIA PROGRAM

Statement of the Standard

210:35-3-121

(a) **Mission of school library media program.** The mission of the media program is to assist students and teachers in becoming effective users of ideas and information. Emphasis is placed on the development of skills necessary for independent lifelong learning. To that end, schools shall provide an effective library media program through the employment of qualified staff and the acquisition of library media materials sufficient to meet the instructional needs of the staff and students. One centralized library media center can serve two or more organizational units if the units are housed at one site. The library media program is to be based on the combined enrollment and standards for the highest grade unit served.

(b) **Prohibition on pornographic material and sexualized content in library media program.** The State Board of Education recognizes its duty and responsibility to protect minor students from accessing pornographic materials and sexualized content and will implement this duty by exercising the State Board of Education’s authority to adopt policies and make rules for public schools. Okla. Const. art. XIII, § 5; 70 O.S. § 3-104(A)(1).
