Fullcode and ELL Flag Conflicts

- Will Stuckrath
- Senior Data Analyst, Accountability
- 405-522-5169
- William.Stuckrath@sde.ok.gov

Q & A

- If a district needs to change a student's LIEP/ELIS, how should this be done correctly in the SIS?
- What date should we enter as the Program Placement Date?
- SPN is a code we've used for our ELs with IEPs for many years and never had conflicts in Accountability Reporting. Accountability has always recognized SPN as a code equal to ELL until this past week where it states, "Student Marked as ELL = "No" but was previously marked ELL = "Yes" and/or took ELP Assessment without exit." What do we need to do?
- A student is coded as EL in the SIS but is still generating a conflict in AR. In AR, districts can see the 2349 EL code, but the ELL column says N. What do they need to do to fix this?
- Or the 2349 is not displaying in AR, but ELL Y is. How do we fix this?

Q & A

- All of our students are coded as EL, but this is not showing in AR. Why?
- What is a full code?
- When is the full code conflict window, and how do districts correct these conflicts? What can they do to avoid these conflicts?

WIDA's Sincerest Apology for Webinar Disruption

- "We are deeply sorry for the offensive and inappropriate disruption during the "WIDA ACCESS Online for Test Administrators" webinar. The actions of these individuals were unacceptable and do not reflect the values of WIDA or our commitment to creating a safe and respectful learning environment.
- To those who attended, we're truly sorry for any discomfort and frustration this caused you. Please know that we are taking this matter very seriously. Our IT team is looking into who may have been responsible and taking steps to prevent something like this from happening again, by ensuring all our webinars have the recommended settings, including having the waiting room enabled and sharing settings limited.
- We appreciate your patience as we work to ensure our webinars are a safe and secure space for all educators. If you have any questions or would like to share feedback, please feel free to reach out to the WIDA Client Services Center at 866-276-7735 or email help@wida.wisc.edu.
- Thank you for your dedication to supporting multilingual learners."
