

## ELP Assessment Domain Exemption Request Form

State and federal laws require all ELs to participate in the annual ELP assessment including students with IEPs and 504 Plans. No disability exempts a student from this requirement. However, when all appropriate universal tools and design and accommodations have been offered and the student's disability remains a barrier to assessing a particular language domain, the student may be exempted from that individual domain test if documented in the IEP or 504 Plan.

Please have the Special Education Teacher of Record and the EL District Coordinator complete the following request for domain exemption(s) and attach the student's IEP or 504 Plan **highlighting** domain exemption(s). Upload these documents into a **Student Assessment ELP DVR** in the Accountability Reporting application on Single Sign On. Once submitted, please see the comments in the DVR to verify the OELP's approval or denial.

<b>District Name:</b>	<b>District and County Code:</b>	<b>Student Testing Number (STN):</b>
<b>Student Name:</b>	<b>Student Birthdate:</b>	<b>Current Student Grade:</b>
<b>District Contact Name:</b>	<b>District Contact Email Address:</b>	<b>District Contact Phone Number:</b>

Domain Exemption(s) Requested		Justification for Domain Exemption(s)
Reading		
Writing

Signing below, I affirm the following:

- The information provided is highlighted and can be verified in the IEP or 504 Plan that is included in the DVR submission.
- I reviewed domain exemption information on p. 24-25 of [WIDA Accessibility & Accommodations Manual](#).
- I understand that Do Not Score code “SPD” must be marked in WIDA AMS or on the test booklet cover as applicable for all approved domain exemptions.
