

Strong Readers Act

Notice of Reading Proficiency

Dear Parents or Legal Guardians,

This letter is to inform you that your student has demonstrated reading proficiency on the screening assessment for the Strong Readers Act. This means that your student is meeting grade-level expectations in overall reading skills and should continue to make good progress with regular instruction.

With consistent school attendance and your child's continued efforts, it is unlikely that they will require extra support or intervention services this year. We will continue to monitor your student's progress to ensure they keep growing as a reader and meeting grade-level expectations. Thank you for supporting your student's education!
