

# Bridge Our History to Our Future

The Oklahoma State Department of Education invites Oklahoma schools to use The Story of America, a new US History supplemental resources for middle and high school students developed to enhance civic literacy. These resources are aligned with Oklahoma Academic Standards for Social Studies.

## The Story of America

A comprehensive, supplemental digital U.S. History Program for Middle and High School

The Story of America equips students with the historical perspective and literacy skills needed to understand the past and prepare for the future.

Each unit is thoughtfully developed to support Oklahoma's emphasis on historical inquiry, civic engagement, and the responsible use of primary sources.

## Keep the Story of America Alive

### Engaging, Correlated to Standards Content

31 interactive units covering the Pre-Columbian era to the present

### Combines History & Literacy

Develops reading, writing, and critical thinking skills alongside historical knowledge meeting Oklahoma's emphasis on literacy integration

### Data-Driven Instruction

Real-time assessments and automated reports help teachers identify learning gaps, individualize instruction, and track growth at the student, class, and district level

### Available in English and Spanish

Available in English and Spanish, supporting multilingual learners across Oklahoma districts

### Thoughtful Engagement with Real-World Topics

Promoting curiosity, respectful dialogue, and comprehension through balanced instruction

## Why Oklahoma Chooses The Story of America

- ✓ Designed for classroom engagement with historical documents, artifacts, images, and videos
- ✓ Auto-scored benchmark assessments
- ✓ Aligned with Oklahoma's goals for civic readiness and cultural literacy
- ✓ Insightful reports for teachers, administrators, and state-level decision-makers
