## **County 4 Mill**

State Aid receives monthly electronic updates from each county treasurer with the amount of County Four-Mill apportioned to each school district. Please visit the County Four-Mill webpage to compare the amounts on your FY26 County Four-Mill State Aid Report to your district records of monthly County Four-Mill revenue amounts, which were coded for the Oklahoma Cost Accounting System (OCAS) between July 2025 and April 2026.

**County Treasurer/Clerk Error:** If you contact your county treasurer and discover an error has been made by county personnel in reporting a County Four-Mill monthly revenue amount to the State Aid Section, the county treasurer will be responsible for contacting State Aid to have the incorrect month/months opened for correction. This action should be completed no later than June 17, 2026.

Please work with your treasurer to account for any difference or discrepancy. If you have any questions regarding this matter, please contact State Aid at (405) 521-3460.
