

Administrator Value-Added Report

Pilot—Not used for teacher or administrator evaluations.

Report Date: MARCH 2016

Instructional Year: 2014-15

Campus: ADAMS ES

District: WOODSON

SAMPLE Overall Value Added	UNIQUE STUDENT COUNT	STUDENT EQUIVALENT	TLE COMPONENT SCORE
All Applicable Subjects and Grades	211	410	3.4

Unique Student Count The number of students overall. Each student is only counted once even if taught in multiple subjects.

Student Equivalent The sum of students' dosages overall.

Overall Value Added
An administrator's overall value added given by the TLE component score is a weighted average of the administrator's subject-specific component scores, where the weight is the number of student equivalents for the subject.

SAMPLE Value Added Math (4-8)	UNIQUE STUDENT COUNT	STUDENT EQUIVALENT	VALUE-ADDED RESULT	TLE COMPONENT SCORE
School Value Added Math (4-8)	211	211	12.0	3.3

Unique Student Count The number of students overall. Each student is only counted once even if taught in multiple subjects.

Student Equivalent The sum of students' dosages in the subject.

Value-Added Result
An administrator's school value-added result is a weighted average of the value-added results of teachers in the school, where the weight is the number of student equivalents for each teacher.

SAMPLE Value Added Reading (4-8)	UNIQUE STUDENT COUNT	STUDENT EQUIVALENT	VALUE-ADDED RESULT	TLE COMPONENT SCORE
School Value Added Reading (4-8)	211	211	11.0	3.5

For more information, visit the TLE page of the OSDE website (<http://ok.gov/sde/tle>) and view the videos explaining the teacher and administrator value-added results reports or contact the OSDE Customer Service Desk at (405) 521-3301.

Accuracy of student roster subject assignments may depend on whether you and/or your district chose to participate in roster verification in Spring 2015. The value added results in this report are based on the roster and assignment as listed.
