“Special Meeting”

OKLAHOMA STATE BOARD OF PHARMACY

2920 N Lincoln Blvd., Ste. A, Oklahoma City, Oklahoma 73105

The Mission of the Oklahoma State Board of Pharmacy is to *protect the health, safety, and welfare of the citizens of Oklahoma* by regulating the practice of pharmacy.

House Bill 1585 created a new section of law to be codified in the Oklahoma Statutes as Section 353.18B of Title 59:

A. Pharmacy technician applicants who are seventeen (17) years of age or older and enrolled in a youth apprenticeship program for pharmacy technicians or a pharmacy technician training program through the Oklahoma Department of Career and Technology Education shall complete Phase II pharmacy technician training in a pharmacy without the requirement to be a pharmacy employee. All pharmacy technician training programs shall be approved by the Oklahoma State Board of Pharmacy initially and on an annual basis. This permit will only be used for educational purposes for those enrolled in an Oklahoma State Board of Pharmacy-approved program.

B. The youth apprenticeship program for pharmacy technicians and pharmacy technician training programs through the Oklahoma Department of Career and Technology Education shall carry liability insurance on the students in the respective program that covers the student anywhere the student is training in a pharmacy.

This act shall become effective November 1, 2025.

Subchapter 13. Pharmacy Supportive Personnel

OAC 535:15-13-4. Pharmacy technician qualifications and training

- (a) A pharmacy technician must have satisfactorily completed a high school education, HiSet Examination, or G.E.D. equivalence, and shall be of good moral character, be non-impaired (e.g. alcohol or drugs) and have adequate education to perform assigned duties.

(1) Pharmacy technician applicants who are seventeen (17) years of age or older and enrolled in a youth apprenticeship program for pharmacy technicians or a pharmacy technician training program through the Oklahoma Department of Career and Technology Education shall complete Phase II pharmacy technician training in a pharmacy without the requirement to be a pharmacy employee.
