Homeschool Credit Tax Credit

Beginning in tax year 2024, a refundable income tax credit of up to \$1,000 per student is allowed for Oklahoma taxpayers who pay qualified expenses on behalf of an eligible student who is homeschooled. The credit will be claimed on the Oklahoma income tax return for the tax year in which the qualified expenses are actually paid.

	Number of Returns ^{††}	Total Amount Claimed ^{†††}
Tax Year 2024 [†]	1,763	\$2,283,485

† These figures are not considered final until December 31st of each calendar year following the applicable tax year.

†† The total number of returns claiming the homeschool tax credit may reflect households with more than one eligible student.

††† This amount reflect the actual credit claimed on the tax return and may include necessary adjustments to comply with applicable tax credit requirements.
