

Treasurer's Investments

Fiscal Year 2020

Treasurer's Mission Statement

The mission of the
Office of the State Treasurer
is to serve the
people of Oklahoma by
providing sound banking and
investment services, reuniting
individuals and businesses with
their unclaimed property, and
promoting economic opportunities
in a fiscally responsible
and efficient manner while
adhering to the highest
professional and ethical standards.

September 28, 2020

To the People of Oklahoma:

I am pleased to issue the fiscal year 2020 annual investment performance report for the Office of the State Treasurer. I trust you will find it thorough and in keeping with my commitment to provide full and complete disclosure of the activities within my office. As always, my staff and I are available to answer any questions you might have.

Safeguarding and maximizing the taxpayers' money are of highest priority to the State Treasurer's Office. While appropriations to the office have been reduced during the past decade, core functions have been maintained and enhanced.

Market Conditions and Economic Developments

The fed funds interest rate at the start of the fiscal year was 2.50%. The Federal Reserve began lowering the overnight lending rate in July and continued to lower the interest rate in September and October, bringing the rate to 1.75%. The cuts were considered a proactive approach addressing concerns regarding the continuing trade war with China, slowdown in global growth and an inflationary decline. The Federal Reserve took decisive action in March, due to economic concerns of the continuing spread of the coronavirus in the U.S. and lowered the interest rate to 0.25%. The Fed also began purchasing Treasury securities and agency residential and commercial mortgage-backed securities in amounts to support smooth market functioning. In addition, they telegraphed that interest rates would remain low for the next couple of years.

The treasury curve was inverted for most of the fiscal year and yields dropped significantly due to actions taken by the Fed, investors continuing coronavirus concerns, and increased demand for safe assets. Yields fall when bond prices rise. The 2-year treasury ended the fiscal year at 0.15%, the benchmark 10-year was 0.66% and the 30-year at 1.41%. This was in comparison to 1.76%, 2.01% and 2.53%, respectively, at the beginning of the fiscal year.

The U.S. stock market experienced extreme volatility during the fiscal year with highs being reached by the Dow Jones industrial average, the S&P 500 and the NASDAQ during December 2019. The same indexes declined during March due to the pandemic slowing down the economy. The indexes began recovering during April through June. The total returns for fiscal year 2020: 5.39% for the S&P, -2.96% for the Dow and 25.64% for the NASDAQ.

The unemployment rate averaged between 3.5% and 3.7% from July 2019 through February 2020, reflecting 50-year lows. The unemployment rate increased beginning in March by 0.9% to 4.4% and by April it had skyrocketed to 14.7%, due to pandemic stay-at-home orders. The economy lost a record breaking 20.5 million jobs during the month of April. In May, the unemployment rate fell by 1.40% to 13.3% with an increase of 2.5 million jobs. Job growth in June was higher than expected at 4.8 million and the unemployment rate dropped to 11.1%, reflecting the continued reopening of the economy.

The consumer price index (CPI) and the producer price index (PPI) experienced price volatility with the CPI

dropping each month during the last quarter of the fiscal year and the PPI declining in March thru June. On a year-over year basis as of the end of June, the CPI was 1.6% and the PPI for final demand was at 1.7%. The average monthly retail sales were 0.3% from July 2019 thru February 2020, in comparison to -10.1% average for March thru June. Retail sales began to improve by the end of the fiscal year, as more stores continued to open from the pandemic lockdown. Due to historically low mortgage rates, existing monthly home sales also continued to improve by the end of June. On a year-over-year basis, home sales were down by 11.3% due to economic conditions and supply issues. The gross domestic product (GDP) averaged 2% for the first 2 quarters of the fiscal year and increased to 2.1% for the third quarter. The GDP for April thru June reflected a struggling economy and fell by an average of 4.93%.

Portfolio Performance

The yield to maturity at cost on the Treasurer's portfolio was 2.16% and the weighted average maturity was 723 days. The fiscal year 2019 portfolio yield was 2.63%. The total investable base was \$7.9 billion, in comparison to \$7.3 billion as of the previous annual report. No losses were realized due to excellent liquidity and because investments were typically held to maturity.

Portfolio Diversification

The total portfolio contained 55% bonds, 37% mortgage-backed securities and 5% cash at June 30, 2020. Diversification was maintained through continued investment in a mixture of fixed income securities such as U.S. treasuries, government sponsored enterprises, mortgage-backed securities, certificates of deposit, State bond issues and foreign bonds. Cash holdings were diversified through the utilization of several government money market mutual funds.

In keeping with the State's statutory investment objectives, the portfolio strategy continued to seek safety, liquidity, and return on investment, in that order. Investments were made with a buy-and-hold strategy, while monitoring the duration of the portfolio. The portfolio interest earnings for fiscal year 2020 were in excess of \$103 million and reflected the highest amount of income earned in the last 10 fiscal years. However, as our portfolio of high quality and short duration securities mature, the prolonged low interest rate environment will continue to impact reinvestment yields and future income.

Collateralization

All funds under the control of this office requiring collateralization were secured at rates ranging from 100% to 110%, depending on the type of investment.

Payments, Fees, and Commissions

Securities were purchased or sold utilizing competitive bidding. Bank fees and money market mutual fund operating expenses are detailed in the attached pages, as is the earnings split between the treasurer and the master custodian bank on securities lending income.

Total Funds Invested

Funds available for investment, at market value, include the State Treasurer's investments at \$5,203,454,397 and State Agency balances in OK Invest at \$2,736,978,276 for a total of \$7,940,432,673.

Best regards,

RANDY MCDANIEL STATE TREASURER

Randy Ma Janul

cc: The Honorable Kevin Stitt, Governor

The Honorable Greg Treat, President Pro Tempore

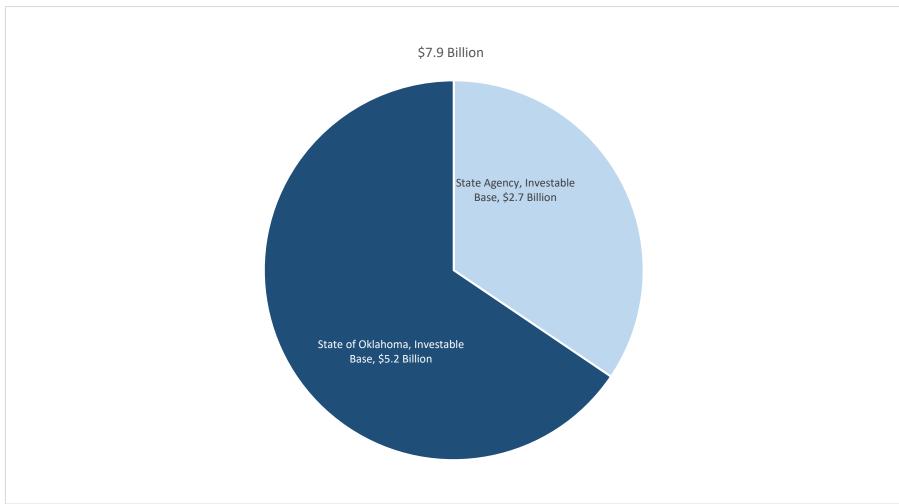

The Honorable Charles McCall, Speaker of the House

The Honorable Mike Hunter, Attorney General

The Honorable Cindy Byrd, State Auditor and Inspector

General Revenue Fund, 36-Month Investable Base (Billions) June 30, 2020

Office of the State Treasurer Explanation of Performance Comparison June 30, 2020

The following page presents market rates of return on the Securities portion of the General Account and the State's aggregated State Agency Accounts. These figures, which are dollar and time-weighted where appropriate, are calculated using the percentage change in market value (inclusive of accrued income) from the end of the prior fiscal year to the end of the current fiscal year.

To ensure the integrity of data, this information is provided by the Treasurer's custodian bank acting in its capacity as an external third party. As such, performance measurement is presently confined to those investments which are held with the custodian bank Northern Trust Company.

Benchmark data is also provided on the following page.

¹⁾ The State Treasurer participates in a securities lending program with Northern Trust Company acting as lending agent. Northern Trust retains 20% of the revenues generated as compensation for services, their share for the year was \$44,065. Pursuant to Oklahoma State Statute Title 62 Section 90, the State Treasurer retains the first \$450,000 of security lending revenue in a revolving fund. These funds are used to pay custody and other banking fees. Any revenue not needed for this purpose is deposited to the General Fund.

²⁾ During the year, bank fees of approximately \$520,000 were reported for JP Morgan, however earnings credits were used to satisfy these fees.

Agency-Directed Investments Fiscal Year 2020

Treasurer's Mission Statement

The mission of the
Office of the State Treasurer
is to serve the
people of Oklahoma by
providing sound banking and
investment services, reuniting
individuals and businesses with
their unclaimed property, and
promoting economic opportunities
in a fiscally responsible
and efficient manner while
adhering to the highest
professional and ethical standards.
