HOW TO SEARCH AND CLAIM UNCLAIMED PROPERTY

Find **How to Claim Property** and **Upload Claim Documentation** steps under the Claiming Property menu.

1. **SEARCH PROPERTY AT yourmoney.ok.gov**

Type your last name or business name. Narrow your search with first name, city and zip code.

2. **SUBMIT A CLAIM**

Review selected properties, enter all information requested and confirm the address.

3. **COMPLETE YOUR CLAIM**

Review and gather documentation requirements and submit documentation.

4. **TRACK CLAIM PROGRESS**

Type in your claim ID number to track the progress of your claim instantly.

Some unclaimed property types need additional forms of documentation, including but not limited to: property deed, court documentation, birth, marriage or death certificates and more.

After your claim form and all documentation is received, allow **up to 90 days** for an auditor to be assigned to your claim. Once assigned, an auditor will contact you about your claim.

FROM THE DESK OF
STATE TREASURER TODD RUSS

More than a billion dollars is waiting for more than 8 million unclaimed properties and we need to return it now!

Our service is completely free. If you see your name, file the online claim form at yourmoney.ok.gov.

Don't wait, we are here for you and want to reunite unclaimed property that's rightfully yours. See the next pages for more than 25,000 new names!

Thank you,

Todd Russ
