Read All Instructions Before Completing Application

- 1. Your choices may be:
 - 1) a combination of 4 letters minimum and up to 2 numbers maximum (i.e. ABCD12 or 3-ABCE), or
 - 2) any combination of intermingled letters and numbers (i.e. AB12C or 1A7), or
 - 3) between 1 and 6 letters.

The only punctuation available is a hyphen or space. No other punctuation or symbols can be used. Plates considered to be offensive to the general public will not be issued. A Special License plate request that conflicts with the Oklahoma regular license plate numbering system or one which has been assigned to someone else will not be approved. Keep a record of your choices. No notification of the choice will be provided.

- Once a special plate is issued and assigned to a vehicle, it shall be the only plate displayed on the vehicle.
 When a new plate is issued and assigned to a vehicle, all plates previously assigned to the vehicle will be
 ceased. All ceased plates should be disposed of or surrendered to a Licensed Operator or Service
 Oklahoma.
- 3. When a new specialty plate is issued and assigned to a vehicle, the new plate will expire the same month as the previous plate.
- 4. Once a special license plate has been assigned to an applicant, the applicant shall have priority to such license plate for succeeding years, provided a timely paid application for renewal is submitted. To ensure receipt of a renewal application each year, notify Service Oklahoma of any change in your address.
- 5. Upon renewal of the special or personalized plate all renewal fees will be due for both primary and specialty registration. Penalties will apply.
- 6. Transfers of all plates, including specialty plates, from one vehicle to another vehicle, can only occur when titling a vehicle.
