Read All Instructions Before Completing Application

1. Once a special plate is issued and assigned to a vehicle, it shall be the only plate displayed on the vehicle. All ceased plates should be disposed of or surrendered to a Licensed Operator or Service Oklahoma.
2. When a new specialty plate is issued and assigned to a vehicle, the new plate will expire the same month as the previous plate.
3. Once a special license plate has been assigned to an applicant, the applicant shall have priority to such license plate for succeeding years, provided a timely paid application for renewal is submitted. To ensure receipt of a renewal application each year, notify Service Oklahoma of any change in your address.
4. Upon renewal of the special or personalized plate all renewal fees will be due for both primary and specialty registration. Penalties will apply.
5. Transfers of all plates, including specialty plates, from one vehicle to another vehicle, can only occur when titling a vehicle.
